

TONBRIDGE & MALLING BOROUGH COUNCIL

AUDIT COMMITTEE

8 April 2013

Report of the Chairman of the Audit Committee

Part 1- Public

Delegated

1 COMPLIANCE WITH INTERNATIONAL STANDARDS ON AUDITING

Summary

This report explains how those charged with Governance are required to assure the external auditor that the Council has complied with the requirements of the International Standards on Auditing. The report has an annex attached giving details of compliance and seeks Members approval of the responses given and requests that this Committee recommends that approval is also given by the General Purposes Committee to these responses.

1.1 Background

1.1.1 The above standards require an assurance for the External Auditor that the body charged with corporate governance is fulfilling its role in relation to management processes for identifying the risk of fraud and breaches of internal control. Specifically this requires confirmation: -

- How the body charged with corporate governance oversees management processes to identify and respond to such risks, and
- Whether the body charged with corporate governance has knowledge of any actual , suspected or alleged frauds affecting the Council

1.1.2 The responsibilities for corporate governance at Tonbridge & Malling are split between the Audit Committee and the General Purposes Committee so this confirmation needs to be endorsed by both Committees.

1.1.3 A set of specific questions were received from the External Auditor.

1.1.4 The External Auditor has previously suggested that the Audit Committee should consider this assurance at this meeting and recommend to the General Purposes Committee agreement with this assurance at their next meeting on 9 April 2013 so that an early opinion can be given to the External Auditor.

1.2 Assurance Evidence

- 1.2.1 The responses to the questions have been prepared with input from the Chairman of the General Purposes Committee and the Chairman of the Audit Committee and are attached. **[Annex 1]**
- 1.2.2 Members of this Committee are required to consider this response and satisfy themselves that the Council is compliant with the International Auditing Standards.
- 1.2.3 Management Team are also required to provide assurance that the Council complies with these standards in a separate questionnaire. Also contained within the report to this Committee for information is the management response to the questions asked of them **[Annex 2]**. This will provide Members of the Audit Committee with additional support for their consideration.
- 1.2.4 There have not been any reported incidents of significant fraud or error to the Chief Internal Auditor during 2012/13.

1.3 Legal Implications

- 1.3.1 Failure to comply with these standards could leave the Council open to a higher incidence rate of fraud resulting in additional legal costs to resolve and additional external audit fees.

1.4 Financial and Value for Money Considerations

- 1.4.1 Non-compliance with these standards could result in additional work being required by the External Auditors to satisfy themselves that fraud and error were being prevented and to ensure future compliance with the standards.
- 1.4.2 Any incidents of fraud require in depth investigation and use considerable resources to resolve. Any cost effective action to prevent instances of fraud will result in resources being diverted to deal with them.

1.5 Risk Assessment

- 1.5.1 It is considered that the risk management system in place supported by the policies and internal controls are sufficiently robust to minimise incidents of fraud and ensure compliance with the standards.

1.6 Equality Impact Assessment

- 1.6.1 This report is demonstrating how the Council complies with International Standards. These standards are based upon factors outside of equality issues

1.7 Recommendations

- 1.7.1 It is **RECOMMENDED** that the Audit Committee consider the attached answers in Annex 1 and agree this assurance.

1.7.2 Following this agreement, it is **RECOMMENDED** that the Audit Committee **REQUESTS** that the General Purposes Committee consider and agree this assurance at their next meeting on 9 April 2013.
