Part 1- Public

Matters for Information

1 COUNCIL KEY IMPROVEMENT PRIORITIES FOR 2010/11 – PROGRESS REPORT

This report provides information on progress achieved against our 2010/11 key priorities. This is set out in Annex 1 (separate document). We draw Members' attention to the large amount of activity summarised in the Annex and also to the significant degree of satisfactory progress that is being achieved. Full year progress will be reported in our next Corporate Performance Plan (CPP) to be published during July 2011. Consideration will be given to updating our key priorities for 2011/12 at the next meetings of Cabinet and Council. We shall also publish these updated priorities in our next CPP, along with their associated improvement actions.

1.1 Legal Implications

1.1.1 There are no direct legal implications

1.2 Financial and Value for Money Considerations

1.2.1 The key priorities and actions set out in the Annex to this report are either directly or indirectly concerned with managing the Council's financial resources and/or delivering value for money.

1.3 Risk Assessment

1.3.1 There would be a material risk to the Council's reputation and standing were it not to deliver real progress against its published priorities and improvement actions.
