1 TONBRIDGE AND MALLING SENIORS (TAMS) FORUM – UPDATE

To provide an update on recent meetings held by the TAMS Forum

1.1 Introduction

1.1.1 In 2009, the former Older Persons' Issues Advisory Board led work on the formation of an older persons' forum for the Borough. Consultation events were held in Borough Green and Tonbridge and a number of volunteers came forward from those events to form a management committee. With the assistance of the Borough Council, Age UK and Age Concern (Malling), the committee arranged a formal launch of the Tonbridge and Malling Seniors' Forum which took place on 1st November 2010.

1.1.2 The work of the former Older Persons' Issues Advisory Board has now been included within the remit of the Communities Advisory Board. The purpose of this report is to provide an update of the work of the TAMS Forum since its launch.

1.2 Progress to Date

1.2.1 From the outset, the TAMS management committee, chaired by Barry Hughes, decided that six formal meetings should be held each year: three in the Tonbridge area and three in the Malling area. The aim is to engage as many older people in the Borough as possible. The management committee promote their meetings via local groups and agencies, posters and fliers. They intend to development a website at a later stage but, at the current time, information about the Forum is hosted on the Borough Council's website.

1.2.2 Two formal TAMS meetings have been held to date: on 26th January at Blue Bell Hill (also covering the Walderslade area) and on 14th April at Tonbridge. Minutes of both meetings are attached as Annex A to this report. As can be seen, the meetings have involved discussion on a wide range of issues and focus on presentations from invited speakers. Whilst both meetings have been well attended, the management committee acknowledge that more needs to be done

to promote the role of the Forum and encourage more older residents to get involved.

- 1.2.3 Two further meetings of the Forum are being planned: at West Malling on 4th July which will address transport issues and access to Pembury Hospital; and a second meeting for the Tonbridge area on a date to be arranged during September.
