

Dear Theresa,

As discussed earlier this week please find attached some officer level comments in respect of the consultation document.

For information, this response will form the basis of a report to Members at our next Planning & Transport Advisory Board on 16th May. If there are any further comments from members arising from the meeting I will forward them to you.

In the meantime if you wish to discuss any of the comments further please do not hesitate to contact me.

Regards

Ian
