Dear Mr Worrall,

I am responding on behalf of Miss Joy Debney, representative on the Tonbridge Forum, the committee and membership of the Tonbridge Historical Society to you letter of 7th January 2008.

Miss Debney brought this letter to our attention at the committee meeting of yesterday evening. The committee agreed that I should write to give you and the Council our full support to all the messages in your letter to The Right Hon. John Healey MP. We fully acknowledge the splendid job that the Council does on behalf of the citizens of Tonbridge and Malling and are more than a little appalled at the proposed unfavourable settlement meaning that the services provided to the community could well be under threat. We very much appreciate the support that the Council gives to our Society.

Yours sincerely,

Shiela Broomfield., dip.archeol., FSA
Secretary Tonbridge Historical Society
