PART 1 - PUBLIC		
MATTERS FOR RECOMMENDATION TO THE COUNCIL		
LA 10/044	Taxi and Private Hire Policy Report of Central Services Director attached	The Central Services Director reported that the wide consultation on the draft Taxi and Private Hire Policy had received no representations, despite concerns raised at two 'Trade' meetings in July where the draft policy was discussed. It was noted that the majority of concerns raised at the 'trade' meetings related to the cost and frequency of future MOT and compliance testing. These concerns would be addressed at a future meeting of the Licensing and Appeals Committee. RECOMMENDED: That the adoption of the Taxi and Private Hire Policy be endorsed. * Referred to Council
