9 March 2009

Report of the Director of Kent Highway Services

Part 1- Public

Matters For Information

1 INTEGRATED TRANSPORT PROGRAMME 2009/10 AND BEYOND

Summary

Information of the Integrated Transport Programme for 2009/10 and the draft programme for the following two years.

1.1 The 2009/10 Programme

1.1.1 At previous meetings of this Board a list of bids for Integrated Transport schemes in Tonbridge & Malling which had undergone an assessment for inclusion in the 2009/10 Integrated Transport Programme for Kent was reported. Elsewhere in these papers, the report detailing the county-wide Integrated Transport Programme for 2009/10 is reproduced (Annex 4 to the Highways Advisory Board reports on 3 March 2009). The approved programme for Tonbridge & Malling is shown at **Annex 1**. Any changes that the Highways Advisory Board recommended that are different to this report will be reported verbally to this Board on the night.

1.2 2010/11 & 2011/12 Programme

1.2.1 At the last meeting of the board Members were asked to submit new schemes for assessment for inclusion in future Integrated Transport Programmes. The schemes listed in **Annex 2** are those which will now go forward for assessment which include unsuccessful bids submitted for inclusion in the 2009/10 programme.
