Dear Ms Dean

MANOR PARK COUNTRY PARK: ROAD TRAFFIC ORDER

As you are aware, pay and display machines are operating in Manor Park Country Park. New charges for April 2008 have been advertised in the park for the last month. This has been necessary to fund the Country Parks Service, although all funds generated contribute to the management of the Parks. The new changes are:

	2007/08	2008/09
Manor Park Country Park	£1.00	£1.00/£1.50

The vast majority of visitors to Manor Park Country Park enjoyed the facilities without causing any disturbance to other users but for those that do not, KCC intend to apply for a Road Traffic Order. This will allow us to levy a fine against the following offences; driving without due care and attention, exceeding the advertised speed limit, parking in a disabled bay without displaying a permit and failing to display a valid parking ticket.

If you have any comments regarding the RTO, I would be pleased to hear from you.

Yours Sincerely

Graham Dear
