Dear Mrs Reynolds

Thank you for taking time to meet with me last week, I have had a meeting with the members of the Neighbourhood Watch, And they would like to thank you and the Transport Board for installing the Yellow Lines in Admiral Moore Drive
They have made it much safer, for the disabled people and electric Buggy users.
It is much easier for car drivers the road is always clear now.
Not forgetting the Disabled ServiceMen who have just returned From Afghanistan, who now live in Prince Philip Lodge Admiral Moore Drive.
Thank you once again,

Yours Sincerely,

Ray Morris
Neighbourhood Watch Coordinator.
