

Joint Transportation Board 19 September 2011

Tonbridge Pedestrian Guard Rail Assessment

Position adopted by T&MBC following the P&TAB Meeting on 27 July 2011

Site	Location	Jacobs Report Recommendation	Adopted Position
1	Vale Road/Angel Lane junction	Partial removal of the guard railing - the length in front of 'Poundstretcher' to be retained.	Endorsement of the Jacobs assessment recommendation. <i>[noting that the retained guard rail is of poor quality and should be replaced using better panels from other locations identified for removal].</i>
2	Waterloo Rd/Quarryhill Road/Priory Road	Remove the four stretches of guard rail round this junction.	Jacobs assessment recommendation <u>NOT</u> endorsed – RETAIN the guard railing at site 2.
3	Quarry Hill Road/ Pembury Road junction	Retain the two substantial lengths of guard rail at this junction.	Endorsement of the Jacobs assessment recommendation.
4	Quarry Hill Road – crossing to the south of the Pembury Road junction	Remove the guard rail at the crossing.	Endorsement of the Jacobs assessment recommendation.
5	Quarry Hill Road/Waterloo Road/George Street	Remove the length of guard rail between Brook Street and Waterloo Road	Jacobs assessment recommendation <u>NOT</u> endorsed – RETAIN the guard railing between Brook Street and Waterloo Road.
		Remove the length of guard rail at George Street corner.	Endorsement of the Jacobs assessment recommendation for George Street corner.

Site	Location	Jacobs Report Recommendation	Adopted Position
		Retain the length of guard rail along the centre of the carriageway.	Endorsement of the Jacobs assessment recommendation for guard railing along the centre of Quarry Hill Road.
6	Quarry Hill Road adjacent to Quarry Hill Parade	Remove this stretch of guardrailing.	Endorsement of the Jacobs assessment recommendation.
7	Waterloo Road/ Tonbridge Station	Remove a short length of guardrailing in Waterloo Road and retain the length on front of the station	Endorsement of the Jacobs assessment recommendation.
8	Barden Road/Station Approach junction	Remove the short length of railing at this junction.	Endorsement of the Jacobs assessment recommendation.
9, 10, 11	High Street	Remove the guard rail associated with the three pelican crossings in the lower High Street.	Endorsement of the Jacobs assessment recommendation.
12	Tonbridge Road, Hildenborough near Coldharbour Lane	Remove the guardrailing associated with the road crossing.	The three panels on the western side of the crossing to be RETAINED. Endorsement of the removal of the seven panels on the opposite side of the road.
	Additional sites proposed by T&MBC		
	The corner of Dry Hill Road where it meets the London Road.		Removal endorsed.
	The junction of Shipbourne Rd/Dry Hill Park Road and Yardley Park Road		Removal endorsed.
