1 MATTER RAISED BY PARISH COUNCIL

Summary

Submission of a Technical Note to the Board by Wrotham Parish Council.

1.1 Introduction

1.1.1 The Joint Transportation Board constitution provides the opportunity for Parish Councils to raise highway and traffic matters directly at the Board. This was reaffirmed at the end of 2009 and there is a standing item on the agenda so that Parish Chairmen can take the opportunity to raise local concerns.

1.1.2 Wrotham Parish Council has submitted a Technical Note to the Board, reproduced at **Annex 1**, concerning road safety conditions on the A20 on Wrotham Hill. This follows up previous consideration of these matters at earlier meetings of the Board. ***Note: the Annex is relevant to the report on Petitions elsewhere in this agenda.***

1.2 Legal Implications

1.2.1 None directly.

1.3 Financial and Value for Money Considerations

1.3.1 None at this stage.

1.4 Risk Assessment

1.4.1 Not applicable.
