Drawing number
11-MHF-TM-Long Mill Lane-703

Notes
Gateways
Existing gateways into the 20 mph zone to be resurfaced in red high friction surfacing and existing road markings re-marked. New reminder gateways in Long Mill Lane and Comp Lane to comprise 10 m length of red high-friction surfacing with 20 mph roundel.

Traffic Calming Measures
1. Build-out with single speed cushion
2. Existing build-out to remain with single speed cushion added, 20 mph roundel and 'give way' markings to be removed
3. Build-out with single speed cushion
4. Pair of speed cushions
5. Build-out with single speed cushion
6.1. Build-out with single speed cushion
6.2. Single speed cushion
6.3. Build-out with single speed cushion
7. Virtual build-out (road markings) with single speed cushion
8. Single speed cushion
9. Not used.
10.1 Build-out with single speed cushion
10.2 Existing build-out to remain, 20 mph roundel to be re-marked and 'give way' markings removed
11. Build-out with single speed cushion.

Speed cushions shall be of KCC standard design, black in colour, with reflective white triangle(s) and edge markings. Build-outs shall be constructed to match the existing build-outs with kerbed edges, black flexible surfacing, and timber bollards with reflective panels.
