

TM Youth Forum is a panel of young people representing the views of young people who live in the area of Tonbridge and Malling.

Our aim is to help young people have a say on local issues that affect them and to work with a number of organisations to develop activities, events and facilities for young people.

We would like your opinion on an event that we are planning to hold for young people in Tonbridge and Malling. It will only take a couple of minutes of your time and will allow us to put on a great event.
