The Panel gave consideration to the report of the Director of Central Services and Monitoring Officer regarding a request received from a former licence holder as to whether it would be appropriate to apply for a new driver's licence following the revocation of previous licences. The Panel listened carefully to the representations made by the potential applicant, had regard to the report of the Director of Central Services and found that, while the applicant was a 'fit and proper person' to hold a licence, it would be premature to apply for anything other than a Private Hire Driver's Licence at this stage. The Panel indicated that it would not be appropriate to apply for any further licences until the expiry of two years from the date of the revocation of the previously held licences. The Panel therefore

RESOLVED: That the applicant be invited to submit an application and fee for a Private Hire Driver's Licence, the issuing of which to be delegated to the Director of Central Services.
