Guidance for Parish Clerks

Important Information

1. About this Guide

This guide has been prepared specifically for parish clerks as an overview of the local elections in Tonbridge & Malling taking place in May 2011. It contains information on various aspects of the electoral process but does not provide the level of detail candidates will require. It is important to note that we do not expect parish clerks to undertake election duties, and that this guide is to make them aware of the overall processes involved. Questions about the elections from prospective candidates should be directed to the Elections Office.

This abridged guidance is supplementary to the Electoral Commission (EC) guidance, to highlight local circumstances. It should be read in conjunction with the EC guidance, which is available from:

Web Site: <http://www.electoralcommission.org.uk>

Telephone: 020 7271 0516

E-Mail: info@electoralcommission.org.uk

The advice is provided as a brief guide. It should not be relied on as legally definitive and neither the Returning Officer nor his staff can accept any responsibility for any errors or omissions, or any act arising from them. If candidates have any doubts about a particular point they are strongly recommended to consult the appropriate legislation and seek their own legal advice.

Elections 2011

4. Polls taking place

On Thursday 5 May 2011, all seats on Tonbridge and Malling Borough Council and all seats on all parish councils (including warded parishes) within the borough will be up for election. Current councillors formally 'retire' from their posts on Monday 9 May 2011, at which point the newly elected councillors will take their seats. This applies even where a councillor has been elected at a by-election or has been co-opted and so has served less than 4 years. Between all parishes and parish wards in the area, there are 268 parish council seats.

The tables that follow show which seats are up for election, and the areas they serve. The RO is unfortunately not able to provide maps to candidates, agents or parish clerks, but is happy to highlight a useful website that may be of interest; please see the box below for further information.

www.election-maps.co.uk

This site can be used to see the extent of particular wards and parishes. To use the site:

1. Load www.election-maps.co.uk.
2. Read the terms and conditions, then press Enter site.
3. Type Tonbridge and Malling in the search bar.
4. Click Local Authority as the type of election.
5. Press Go.
6. Select Tonbridge and Malling District (B).
7. You can now zoom in or out of the area of interest, and move around the borough. From the Show layers area of the screen, you can select which boundaries to show and/or fade the background map for a clearer view of boundaries.

Candidates' Guide and Nomination Pack**5. Changes since the 2007 local elections**

Most parish and borough boundaries have remained unchanged since the 2007 elections. One notable exception, however, is that concerning the Leybourne Park development. Since April 2010, this site has been part of the Larkfield North ward of East Malling & Larkfield parish and no longer part of Ditton parish. From the elections in May 2011, this same area will transfer from Ditton ward to Larkfield North ward. The equivalent change in County Electoral Division representation will take place at the Kent County Council scheduled elections in May 2013.

This change follows a Community Governance Review undertaken by TMBC, designed to ensure electoral areas are (i) reflective of the identities and interests of the community in that area; and (ii) effective and convenient to the community in that area. As well as affecting representation following the election, the change alters the polling station to which electors must attend to cast a vote in person. For the purposes of nominations, the necessary changes have already taken place. This means that electors living in the Leybourne Park development affected by this change would be able to nominate candidates for the Larkfield North borough ward and/or the Larkfield North ward of the of East Malling & Larkfield parish; they are not able to nominate candidates for the elections to represent the borough ward or parish of Ditton.

As a result of that same review, the number of parish councillors serving on several of the councils was revised in line with national guidance. The tables above take these changes into account; the numbers shown are the number of councillors to be elected in 2011, and may not be the same as the current number of serving councillors.

6. Referendum on the voting system

In addition to the Borough and Parish elections, a national referendum on the voting system to be used at Parliamentary Elections will also be taking place on Thursday 5 May 2011. Guidance regarding the referendum is available from the Electoral Commission, the Chair of which is the Chief Counting Officer responsible for the conduct of the referendum. David Hughes is the Counting Officer, responsible for the local delivery of the referendum. Due to that poll being a national event, it takes precedence and certain decisions made centrally will impact on local practice. For example, the colours of ballot papers and timing of the count have been Directed by the Electoral Commission, and we are obliged to follow that ruling.

Nominations

7. Introduction to nominations

In order to stand as a candidate at a parish council election, an individual must be validly nominated. This requires the candidate completing:

- A nomination paper, subscribed by a Proposer and a Secunder
- A consent to nomination
- A Certificate from the registered nominating officer of the party**
- A request for use of political party emblem**
- (*If standing for a registered political party)*

Detailed guidance on completing nomination papers is available in a local guide to candidates, available from the Elections Office.

8. Blank copies of forms

Blank copies of nomination papers are available from the Elections Office. They can be posted or emailed out, or can be collected in person by prospective candidates.

Parish clerks are not required to have copies nor to distribute them to potential candidates. Indeed, the Elections Office will not provide copies to parish clerks for distribution in this way. The reason for this is to (i) ensure independent nature of a parish clerk cannot be inadvertently compromised, and (ii) to ensure the correct forms are provided to the correct candidates. Although not in Tonbridge & Malling, there have been instances in recent years where potential candidates were not validly nominated because they completed the wrong forms provided by someone other than the Elections Office. It is in the best interests of all concerned to prevent that from happening.

9. Nominations

All nomination papers must be subscribed by a proposer and seconder, and the electoral number must be included. The candidate is responsible for ensuring this is provided and that it is correct – a nomination may be rejected if it is missing or inaccurate. Copies of the register of electors are available at the Elections Office to check and record this number, should that be beneficial to candidates, or candidates may request a copy of the Register if they wish (see below).

Guidance for Parish Clerks

10. Delivery of Nomination papers

Nomination papers, and the Consent to Nomination, must be received at:

The Elections Office

Tonbridge and Malling Borough Council
Gibson Building
Gibson Drive
Kings Hill
West Malling
Kent ME19 4LZ

Not later than noon on Monday 4th April 2011.

The Notice of Election will be published not later than Friday 25th March 2011 (although the Returning Officer is intending to publish this notice ahead of the deadline on Monday 21st March 2011 in order to extend the period in which nominations can be delivered). Nomination papers may be delivered from the day after the publication of the Notice of Election between the hours of 10am and 4pm, Monday to Friday until the absolute deadline of noon on Monday 4th April 2011.

Candidates are requested to submit the completed nomination paper to the elections office, together with the Consent to Nomination and any other relevant documentation as soon as possible after the publication of the Notice of Election. **In particular, nominations should not be left until the last two days if this can be avoided because, if an error is discovered, the candidate may not have time to submit a fresh Nomination paper.** Candidates are also advised to make an appointment with the Deputy Returning Officer to submit nomination papers.

On no account will any nomination paper be accepted after the deadline of noon on Monday 4th April 2011.
--

The delivery of either document to a different office within the Council Offices or to any other Council office location will not be sufficient to meet this requirement. The papers **must** be received by the elections office.

Candidates' Guide and Nomination Pack

11. Statement of persons nominated

The Returning Officer is required to publish a statement of persons who stand nominated and the reasons any other persons nominated no longer stand nominated. This Statement of Persons Nominated will be published not later than noon on Wednesday 6th April 2011.

12. Withdrawal of Candidature

A candidate may withdraw his or her candidature if a Notice of Withdrawal is signed and attested by one witness and delivered to the Returning Officer at the Elections Office at the address given at the front of this guide, by noon on Thursday 7th April 2011. There is no standard form for this purpose although guidance as to its content can be provided on request.

13. Register of Electors

Each candidate is entitled to a free copy of the full register of local government electors (for the Borough Ward or Parish in which they are standing) for the purpose of completing nomination papers. There is a form within this nomination pack for candidates to request the full register and absent voter lists.

14. Uncontested Elections

If the number of validly nominated candidates (after the time allowed for withdrawal) is the same as (or less than) the number of seats to be filled, then those candidates will be declared elected.

Candidates must still declare election expenses (even if nil) for an uncontested election.

Guidance for Parish Clerks

Requirement of Secrecy

15. About the Requirement of Secrecy

Candidates and all other persons concerned with the elections will be required to ensure the secrecy of the ballot at all stages. Candidates and all agents will be issued with a copy of the secrecy requirements, as set out below. Readers should note the high-profile cases in 2010 following which legal action has been taken for breaches of this legislation.

Candidates' Guide and Nomination Pack

- (a) except for some purpose authorised by law, communicate, before the poll is closed, to any person any information obtained at those proceedings as to the official mark; or
 - (b) except for some purpose authorised by law, communicate to any person at any time any information obtained at those proceedings as to the number or other unique identifying mark on the back of the ballot paper sent to any person; or

- (8) In relation to an election of the London members of the London Assembly at an ordinary election, any reference in this section to the return of a registered political party's candidates is a reference to the return of candidates included in the list of candidates submitted by the registered political party for the purposes of the election.

Guidance for Parish Clerks

Absent Voting

17. Applications and deadlines

Applications for voting by post or by proxy are available from the Elections Office. Whilst the Elections Office is able to provide blank copies of forms for use by candidates, agents and political parties, due care must be given to ensure that electors signing such forms are fully aware of what they are signing and the implications it will have. There have been isolated instances where electors have signed application forms without fully realising the implications, and we would prefer this did not happen as it can lead to disenfranchisement of individuals.

The Elections Office is also able to post application forms direct to registered electors for them to sign and return direct to the office. This approach is preferable to one in which political parties handle applications before passing them to the Elections Office in order to avoid any delays in the processing of such applications. Candidates and agents are asked to consult the guidance on handling postal vote applications included in the Electoral Commission guide.

The deadline for new applications to vote by post, or to change or cancel an existing absent vote is **5pm on Thursday 14th April 2011**. By this time, all such applications must have been received by the Elections Office.

New applications to vote by proxy (except medical emergency) must reach the Elections Office by **5pm on Thursday 21 April 2010**.

Applications can be faxed if signed. Signed originals can also be scanned and sent by email (to electoral.services@tmhc.gov.uk). However, we would encourage you to ensure that all original applications are sent to the Elections Office.

18. Issuing of postal votes

We intend to despatch all postal votes on Friday 15th April 2011.

The Verification and Count

21. Location and time

The Verification and Count will commence from 9:00am on Friday 6 May 2011. It is likely that counts for parish elections will take place during the early afternoon of that day, although this may be subject to change. Results will be declared as soon as possible, and notices of the results published after the event.
