**PLANNING and TRANSPORTATION ADVISORY BOARD**

**24 October 2005**

**Report of the Director of Director of Planning & Transportation**

**Part 1- Public**

**Matters for Information**

**1 PARKING ATTENDANTS' ACCOMMODATION**

**Summary**

**To advise the Board of changes to the accommodation for the Parking Attendants' in Tonbridge Town Centre.**

**1.1 Introduction**

- 1.1.1 The Board will wish to know that during November it is proposed that the parking attendants' will move from their current temporary accommodation in the Sovereign Way Car Park into office accommodation in Tonbridge Castle.
- 1.1.2 This proposed move is part of an overall approach to various staffing changes across the Council and will immediately provide some improvement in the accommodation for the parking attendants' which I believe will be welcomed by the team themselves and will help with their integration within the organisation.
- 1.1.3 It is intended that the move will take place as soon as the cash collection arrangements that have been previously agreed are put in place in the next few weeks.
- 1.1.4 The site of the current temporary hut is intended to be laid out for additional car parking spaces during the work on the implementation of the overall Tonbridge Town Centre Parking Plan.
