

Distribution Points for CBL free sheets

On a fortnightly basis, Locata will supply a maximum of 500 free sheets in bundles of 50 to a maximum of ten distribution points throughout the borough. The Council will be responsible for the redistribution of free sheets to other locations as necessary.

The free sheets carry details of all the vacant homes across Kent.

The map at page five outlines the proposed distribution points:

- § Locata will deliver free sheets directly to the eight locations shaded green
- § Tonbridge library will redistribute to five other libraries, shaded blue
- § Staff from the Housing Needs team will redistribute to the Neighbourhood Police Office/Volunteer Centre, shaded red.

Full details of all distribution points are set out below.

Some of the distribution points that are used by neighbouring authorities border parts of Tonbridge and Malling. This means that customers will also be able to obtain free sheets from locations other than those identified below.

Libraries

KCC libraries will re-distribute some of the 100 free sheets that will be delivered by Locata to Tonbridge library, to libraries at West Malling, East Peckham, Hadlow, Hildenborough and Tonbridge North (Trench). The advantage of using the libraries is that they all offer internet access, and so customers who do not have this facility at home can potentially access a free sheet and make an on-line bid simultaneously. Regular contact will be maintained with the libraries in order to ensure that demand for the free sheets can be met, and any surpluses/shortfalls avoided. This will be particularly critical in the early stages of implementation. All of the libraries are wheelchair accessible.
