Proposed two storey side extension with integral garage, canopy porch, and internal alterations at 49 Brindles Field Tonbridge for Mr Mitch Walker

Paragraph 6.7: To clarify in terms of potential impact upon daylight/sunlight, whilst the proposed two storey extension will bring the built form of the application property closer to the north boundary of the site which forms the rear boundary of the dwellings within West Rise, the particular relationship and distances involved will ensure that the neighbouring properties will not experience a demonstrable loss of daylight or sunlight.
