COMMUNITIES ADVISORY BOARD

10 June 2015

ALLOTMENT CHARGES

Following recent publication of the Allotment report for the forthcoming Communities Advisory Board, the Council has been advised by the Tonbridge Allotments and Gardens Association that it is now not their intention to implement the proposed alterations to allotment charges until October 2016 and that the proposed charges are to be considered for approval at their Annual General Meeting in November this year. Therefore, please find below a revised report recommendation that reflects these changes.

Recommendation

It is recommended that, subject to approval at the Tonbridge Allotments and Gardens Association's Annual General Meeting, Members approve the proposed charges outlined in the report for implementation from 1 October 2016.
