Kent Healthy Business Awards

(Report of Director of Planning, Housing and Environmental Health)

The report outlined the requirements of the Kent Healthy Business Award, funded by Kent County Council with the aim of helping employers focus on ways of improving the health and well-being of their workforce. Details were given of the dual role of the Borough Council in the delivery and implementation of the Award, including its introduction to the business community and promotion of the Council itself as an exemplar organisation.

A presentation was received from members of the KCC Public Health Team, providing an overview of the Award scheme.

Following consideration by the Communities and Health Advisory Board, the Cabinet Member for Communities, Health and Community Safety resolved that the proposed approach to developing the Kent Healthy Business Award both within the Council and the local business community be endorsed.

Reasons: As set out in the report submitted to the Communities and Health Advisory Board of 17 November 2014.

Local Health Improvement Programmes

(Report of Director of Planning, Housing and Environmental Health)

The report described the range of Health Improvement projects for which Kent County Council funding had been awarded for the current year and reviewed their progress. It was noted that the Borough Council's annual health delivery programme was divided into three key elements involving Healthy Living Centre initiatives, healthy weight programmes and mental health, well-being and community-led programmes.

Particular reference was made to the challenges of addressing obesity in children and a number of suggestions for raising awareness were discussed.

Following consideration by the Communities and Health Advisory Board, the Cabinet Member for Communities, Health and Community Safety resolved that the delivery of the Health Improvement programmes as described in the report be endorsed.

Reasons: As set out in the report submitted to the Communities and Health Advisory Board of 17 November 2014.

Troubled Families Programme - Phase 2

(Report of Chief Executive)

The report set out the background to the first phase of the Kent Troubled Families Programme, gave details of proposals for a national second phase programme and sought agreement to the Borough Council's continued involvement in the work.

It was requested that appreciation be conveyed to those staff delivering the programme through the local family focus initiative.

Following consideration by the Communities and Health Advisory Board, the Cabinet Member for Communities, Health and Community Safety resolved that proposals for a phase 2 troubled families programme be noted and the Borough Council's involvement in an extended family focus initiative based on the phase 2 proposals be supported.

Reasons: As set out in the report submitted to the Communities and Health Advisory Board of 17 November 2014.
