Kent County Council Review of Mobile Library Provision

(Report of Chief Executive)

The report set out details of Kent County Council's proposed reduction of the current mobile library provision following a review of the usage of the service. It was noted that while the service would be withdrawn in a number of areas across the Borough, the impact on users would be insignificant and measures would be put in place to assist and support residents with the home delivery service.

Following consideration by the Communities Advisory Board, the Cabinet Member for Community Services resolved that:

Kent County Council be advised that the Borough Council has no objection to the current proposals to reduce the mobile library service.
