MATTERS FOR RECOMMENDATION TO THE CABINET

FIP 15/3 POLICY IN RESPECT OF DISCRETIONARY COUNCIL TAX AWARDS

The report of the Director of Finance and Transformation outlined the provisions of Section 13A of the Local Government Finance Act 1992 under which a local authority had the power to reduce the amount of Council Tax due as it saw fit. A draft policy in respect of Discretionary Council Tax Awards was presented for consideration to ensure that any applications were dealt with consistently and equitably. It was proposed that applications would only be granted in exceptional or unforeseen circumstances that threatened a taxpayer's ability to discharge their liability for Council Tax and to stay in their home.

All applications would be considered on their merits with decisions on eligibility delegated to the Director of Finance and Transformation in a manner consistent with the arrangements for the award of Discretionary Housing Payments.

RECOMMENDED: That the Council approve the Section13A policy in respect of Discretionary Council Tax Awards as set out at Annex 1 to the report, subject to inclusion in paragraph 7(b) of a requirement to provide a declaration of savings and assets.

FIP 15/4 REVENUE ESTIMATES 2015/16

The report of the Director of Finance and Transformation referred to the responsibility of the Cabinet under the constitution for formulating initial proposals in respect of the budget. Reference was made to the role of the Advisory Board in assisting the Cabinet and Council in the preparation of the budget within the context of the Medium Term Financial Strategy (MTFS) and the Council's priorities. An outline was given of the process for referring the Advisory Board's recommendations to the Overview and Scrutiny Committee prior to consideration by the Cabinet on 12 February and thereafter by the Council at its Budget meeting.

The report set out the framework for considering the estimates in terms of the MTFS together with a number of Service specific issues. The Director of Finance and Transformation drew attention to the key messages arising from the provisional Local Government Finance Settlement including the position regarding New Homes Bonus funding. The implications of implementing a Council Tax freeze were discussed together with the threshold set by the Secretary of State for local referenda to approve or veto Council Tax increases of 2% or more.

The report indicated the factors to be taken into account when updating the MTFS and Members were advised of encouraging progress achieved to date towards the savings target. It was noted that the MTFS would continue to be updated during the Budget cycle as more information became available.

RECOMMENDED: That

- (1) the draft Revenue Estimates contained in the Booklet be endorsed; and
- (2) within the context of the financial pressures outlined in the report, the Overview and Scrutiny Committee be requested to consider the draft Revenue Estimates contained in the Booklet and make appropriate recommendations to the Cabinet for its special meeting on 12 February 2015.

FIP 15/5 CAPITAL PLAN REVIEW 2014/15

Consideration was given to the report of the Director of Finance and Transformation which reviewed the current position of the existing Capital Plan (List A). It also recommended new schemes for addition to List C, some existing List C schemes for deletion or evaluation and schemes for inclusion on List B from those List C schemes previously selected for evaluation. Members were reminded that any aspirations in respect of capital schemes needed to be set within the context of the significant financial challenge facing the Council.

Reference was made to the ongoing review by the Overview and Scrutiny Committee of the process by which capital renewals provisions were determined. An updated Capital Strategy was presented and it was noted that the Peer Review Challenge had reinforced the recognition that future strategies would need to take into account the fact that the main source of funding for new Capital Plan schemes, the Revenue Reserve for Capital Schemes, was expected to be exhausted in 2018/19 at which stage the Council would need to borrow to fund such expenditure.

RECOMMENDED: That the following be endorsed for consideration by the Overview and Scrutiny Committee: 

- (1) the Capital Plan (List A) position as shown in Annex 2 to the report;
- (2) the amendment of List C as detailed in paragraph 1.5.1 of the report;
- (3) the selection for evaluation of those List C schemes shown in paragraph 1.6.3 of the report including one for fast track evaluation;
- (4) the transfer of the schemes listed in paragraph 1.7.6 of the report from List C to List B noting:
 - (i) in respect of the Tonbridge Town Lock scheme the additional funding requirement of £100,000 to that currently reflected in the Capital Plan, to be met from a pending developer contribution and in the interim from the Council's own resources;
 - (ii) the Tonbridge School Athletics Track Improvements scheme expected to be progressed in 2018/19 subject to the identification of developer contributions/external grant sources;

- (iii) in respect of the Larkfield Leisure Centre Health Suite Refurbishment scheme the additional funding requirement of £60,000 to that currently reflected in the Capital Plan; and
- (5) endorsement of the draft Capital Strategy as set out at Annex 5 to the report for adoption and publication on the Council's website.

- (8) building control fees be held at the same level as last year for a further 12 months when they will be reviewed again, the current level of fees remaining competitive with the private sector;
- (9) the scale of charges for condemned food certificates, exported food certificates, contaminated land monitoring, sampling private water supplies, stray dog redemption fees and household bulky refuse collection be approved with effect from 1 April 2015 as detailed in paragraphs 1.10 to 1.16 of the report;
