RECORD OF DECISION

Decision Taken By: Cabinet Member for Economic Decision No:

Regeneration D140067MEM

Date: 03 June 2014

Decision(s) and Reason(s)

Escalate Business Loan Fund - Update

(Report of Chief Executive)

The report provided an update on the Escalate Loan Fund scheme, formally launched in December 2013, and the current level of take up by local businesses. It was noted that the adoption of a combined funding pot with the TIGER scheme for north Kent would result in greater flexibility over the loan funding available and accommodate the higher levels of demand from West Kent businesses.

Following consideration by the Economic Regeneration Advisory Board, the Cabinet Member for Economic Regeneration resolved that:

- 1) the strong initial demand for business loan funding via the Escalate programme be noted; and
- 2) work be undertaken with local partners to make a case for additional loan funding to be made available to the Escalate programme at the autumn review.

Reasons: As set out in the report submitted to the Economic Regeneration Advisory Board of 3 June 2014.

- 1) the update on business support initiatives be noted; and
- 2) parish and town councils be invited to help further promote the supporting home-based business initiative.
