**Parking Action Plan**

**(Report of Director of Planning, Housing and Environmental Health)**

**The report gave an update on the phased approach undertaken to on-street parking management with a focus on Phase 7 and the Snodland Parking Review. Details of responses received to the formal consultations were set out in Annex 2 to the report and reflected in the recommendations made for each location. In response to a comment from the local Member regarding on-going differences of opinion between local residents the Director of Planning, Housing and Environmental Health advised that the scheme for Cage Green Road, Tonbridge (Plan DD/564/22) could be withdrawn and revisited in Phase 8.**

Following consideration by the Joint Transportation Board, the Cabinet Member for Planning and Transportation resolved that:

- 1) subject to the withdrawal and commitment to revisit the proposal for Cage Green Road, Tonbridge (Plan DD/564/22) in Phase 8, the 'Recommendation' stated for each location within Annex 2 be endorsed; and
- 2) the proposed changes to the procedure for the implementation of changes to traffic regulation orders be endorsed.
