RECORD OF DECISION

and Environment Services**

**Decision No:
D200037MEM**

Date: 08 June 2020

Decision(s) and Reason(s)

Parking Action Plan - Phase 12

(Report of Director of Street Scene, Leisure and Technical Services)

The report provided details of 20 schemes to be taken forward for investigation and informal consultation under Phase 12 (20/21) of the Parking Action Plan. Details of the schemes were set out in Annex 1 to the report while Annex 2 identified a list of locations to be considered in future phases of the Parking Action Plan. It was noted that the timescale for investigation and informal consultation on the schemes identified within Phase 12 would be influenced by the restrictions placed on the Parking Team by the Covid-19 emergency and current workload, which included a significant amount of work relating to the completion of Phase 11 works.

Following consideration by the Joint Transportation Board, the Cabinet Member for Street Scene and Environment Services resolved that:

- (1) the list of locations identified in Annex 1 to the report be taken forward for investigation and informal consultation as Phase 12 of the Parking Action Plan; and
- (2) the list of locations identified in Annex 2 to the report be held on a list for the next cycle of the Phased Parking Action Plan.

Reasons: As set out in the report submitted to the Joint Transportation Board of 8 June 2020
