Date: 21 November 2022

Decision(s) and Reason(s)

Parking Update

(Report of Director of Street Scene, Leisure and Technical Services)

The report covered the content of Phase 14 of the Action Plan and provided an update on the Borough's parking reviews.

A list of location requests recommended for consideration in Phase 14 of the Parking Action Plan was attached at Annex 1 to the report. A further list was attached at Annex 2 and would be held on a 'holding list' for consideration in future phases of the Plan. It was recommended that the locations and proposals in Annex 1 be taken forward for investigation and then to informal consultation; and that the response to the informal consultation be reported to a future meeting of the Board.

Following consideration by the Joint Transportation Board, the Cabinet Member for Technical and Waste Services resolved that:

- (1) the proposals for each location listed in Phase 14 of the Parking Action Plan, as set out at Annex 1 to the report, be taken forward for investigation and informal consultation; and
- (2) the list of requests, as set out at Annex 2 to the report, be held for future consideration in future phases of the Parking Action Plan.

Reasons: As set out in the report submitted to the Joint Transportation Board of 21 November 2022.

Decision(s) and Reason(s)

Parking Action Plan - Phase 13

(Report of Director of Street Scene, Leisure and Technical Services)

The report covered the formal consultation stage of the parking restriction proposals contained in Phase 13 of the Parking Action Plan and sought approval to implement the changes. A list of all the locations, the issues raised and a recommendation for each was set out in Annex 1.

The report also considered the introduction of a permit parking zone and associated parking restrictions to the Shakespeare Road area of Tonbridge that was held over from Phase 12 of the Parking Action Plan in September 2021.

The views of local members were sought on a number of recommendations and where appropriate and/or practical these would be reflected in the final proposals.

Following consideration by the Joint Transportation Board, the Cabinet Member for Technical and Waste Services resolved that:

- (1) the recommendations for each location for Phase 13 of the Parking Action Plan, as set out at Annex 1 to the report, be adopted and the proposals be implemented subject to:
 - (i) the amendment of scheme numbered Ph13-19 (Tonbridge, Chiltern Way/Cheviot Close) to reduce the proposal to just double yellow lines on the inside of the Chiltern Way bend and to implement on that basis;
 - (ii) the progression of schemes numbered Ph13-06 (Ditton, Woodlands Road), Ph13-12 (East Malling, Upper Mill/Mill Street), Ph13-24 (Tonbridge, Vale Rise & Woodgate Way) and Ph13-31 (Tonbridge, The Haydens); and
 - (iii) the deferral of consideration of scheme numbered Ph13-27 (Walderslade, 44-46 Woodbury Road) to the same stage of the next Phase of the Parking Action Plan; and
- (2) the previously agreed restrictions for the Shakespeare Road, Tonbridge area (that formed part of the Phase 12 Action Plan), be implemented.

Reasons: As set out in the report submitted to the Joint Transportation Board of 21 November 2022.
