Shopfront and Vacant Unit Improvement Scheme

(Report of Chief Executive)

Following Cabinet approval of the submission of the Tonbridge and Malling UK Shared Prosperity Fund (UKSPF) Investment Plan in July 2022, consideration was given to the creation of a Shopfront and Vacant Unit Improvement Scheme as detailed in the report of the Chief Executive.

Draft Guidance Notes and example application form for the Scheme were provided in Appendix 1. A summary of the Scheme finances and rationale for the proposed criteria was set out at 1.3.1 and 1.3.2 of the report. However, it was noted that a total budget of £102,000, made up of £70,000 of UKSPF and £32,000 of Business Rates Retention Pilot funding, would be available to fund the Scheme.

After careful consideration of the legal, financial and value for money implications and the assessment of risk, Cabinet

RESOLVED: That

- (1) the report be noted;
- (2) the Shopfront and Vacant Unit Improvement Scheme, as set out at Appendix 1, be endorsed;
- (3) that the Capital Plan and Revenue Budget be updated accordingly;
- (4) that delegated authority be granted to the Chief Executive, in liaison with the Leader of the Council, to approve any necessary minor changes to the Scheme required following feedback from Central Government regarding the UK Shared Prosperity Fund Investment Plan.

Reasons: As set out in the report submitted to Cabinet of 8 November 2022

Rural England Prosperity Fund

(Report of Chief Executive)

The report provided information on the Rural England Prosperity Fund and sought endorsement of the work undertaken to date to produce the required addendum of the Tonbridge and Malling UK Shared Prosperity Fund (UKSPF) Investment Plan.

A funding allocation of £447,450 had been ring-fenced for the Borough. In order to access this allocation, an addendum to the UKSPF Investment Plan had to be developed in liaison with rural representatives and agreed by the Lead Authority and the Department for the Environment, Food and Rural Affairs. The draft addendum (attached at Appendix 1) was presented for consideration.

The Cabinet reviewed the programme criteria and processes, noted the next steps proposed and considered the legal, financial and value for money implications.

RESOLVED: That

- (1) the Rural England Prosperity Fund addendum be endorsed;
- (2) delegated authority be granted to the Chief Executive, in liaison with the Leader of the Council, to approve any necessary or minor changes to the addendum to improve presentation or clarity, prior to submission.

Fees and Charges Review

(Joint Report of Management Team and Cabinet Member for Finance, Innovation and Property)

In advance of budget setting for 2023/24, Cabinet considered proposals for increases to fees and charges set by the Borough Council. Details relating to the setting of fees and charges across the various Services of the authority were set out in Annexes 1 – 4. The proposals had regard to the level of inflation, market conditions and comparable charges.

Particular reference was made to the recommendation of the Finance, Planning and Regeneration Scrutiny Select Committee following its meeting on 11 October, which invited Cabinet to undertake an in-year review of fees and charges due to the escalating levels of inflation. The latest inflation statistics for September CPI was recorded as 10.1%, rising from 9.9% in August.

The Scrutiny Select Committee had also recommended that in-year car parking charges throughout the Borough be reviewed. However, as the length of the required formal public consultation exercise would fall into the 2023/24 financial year it would not be feasible to consider an in-year review of charges in this specific service area.

Finally, Cabinet was reminded that the Borough Council's financial rules, as set out in the Constitution, required that all fees and charges must be reviewed at least once a year and reported to Members. Under the new governance arrangements introduced earlier in 2022, the Cabinet were responsible for considering these proposals directly. Recommendations made would be incorporated into the draft Revenue Estimates which would be formally presented to the Overview and Scrutiny Committee early in 2023.

Careful consideration was given to the proposals set out in Annex 1 – 4 and Cabinet noted the budget setting timetable, the legal, financial and value for money implications and recognised the significant and challenging financial position. It was also noted that the proposals could generate a contribution of £50,000 to the savings target if approved.

RESOLVED: That

- (1) the fees and charges proposed by the Director of Planning, Housing and Environmental Health, as set out at Annex 1, be approved;

Medium Term Financial Strategy and Savings Update

(Report of Director of Finance and Transformation)

An update was provided on the Medium Term Financial Strategy (MTFS) and the latest financial issues. The savings that had been identified and would assist in meeting 'tranche 1' of the latest saving targets were also set out. Cabinet was requested to consider and implement a programme for investigating and identifying the balance of the savings that were needed to ensure the financial sustainability of the Borough Council.

It was reported that an interim review of the funding gap, which represented new savings that needed to be identified and delivered, was now projected at between £2.6m and £3.8m, the savings target 'tranche 1' of £350k needed to be in place by April 2023; so far only £164k of 'tranche 1' had been achieved and uncertainty regarding local government financial settlement, Fair Funding Review, negative RSG, New Homes Bonus cessation and Business Rates baseline reset made it difficult to assess the true position.

Particular reference was made to undertaking a review of the level of reserves and balances held for other specified purposes and whether there was potential for these to be added back into the general reserve to reduce the funding gap.

Careful consideration was given to the impact on the MTFS arising from the current global economic factors and increasing inflation and Cabinet had regard to the legal, financial and value for money implications, the assessment of risk and

RESOLVED: That

- (1) the latest forecast of the Medium Term Financial Strategy and the funding gap, which was estimated to between £2.6m and £3.8m (as set out in 1.4.7) be noted;
- (2) the savings/transformation contributions for Tranche 1 totalling £164,300 (as set out in 1.5.3) together with the additional £50,000 generated through increases in Fees and Charges (D220097CAB refers) be noted;
- (3) for the reasons set out in 1.4.27 and 1.4.26 of the report, Management Team be requested to review the level of reserves and balances held for specified purposes in order to release any 'surplus' sums to the General Revenue Reserve; and

(4) options to achieve savings/transformation contributions for future tranches, and how these could be implemented and actioned as soon as possible, be considered by the Finance, Regeneration and Property Scrutiny Select Committee at its meeting on 15 November 2022.

Review of Sports Development and Youth Provision

(Report of Director of Street Scene, Leisure and Technical Services)

The report outlined the services provided by the Borough Council in relation to Sports Development and Youth Engagement and invited the Cabinet to review and advise on future levels of provision of these discretionary services.

Details of both service areas, including its purpose, how it was currently delivered and staffing and budget implications were outlined in Annexes 1 and 2.

Cabinet recognised the excellent work undertaken by the Borough Council but noted that the current level of service provision was relatively small and that the provision of youth service was the responsibility of the County Council.

Careful consideration was given to a range of factors including the availability of alternative service providers serving the needs of both youth provision and sports development; the future of the Leisure Pass scheme; the legal, financial, value for money and staffing implications and the potential impacts on healthy lifestyles and the health and wellbeing of residents. An Equality Impact Assessment was also annexed to the report.

Taking into account the Council's financial position, the discretionary nature of the services and that the service areas were primarily provided by others such as Kent County Council and the Leisure Trust, Councillor Keers proposed, seconded by Councillor Boughton, that the provision of sports development and youth engagement services as currently provided be ceased. However, the Leisure Pass Scheme, as outlined in the report, was to be retained to enable those requiring financial assistance to continue to access services.

RESOLVED: That

- (1) the provision of sports development and youth engagement services as currently provided, with the exception of the Leisure Pass scheme as outlined in the report, be ceased.

[In accordance with the Overview and Scrutiny Procedure Rules, this decision was the subject of a call-in and was scrutinised by the Overview and Scrutiny Committee on 17 November 2022. Members of the Committee considered the grounds for the call-in and had regard to the responses provided by the Cabinet Member for Community Services and the Leader. After in-depth discussion and a formal vote the Overview and Scrutiny Committee had no further recommendations to make to the Cabinet and the decision came into immediate effect. The proposals in respect of sports development and youth provision came into effect from 18 November 2022.]

Public Space Protection Order

(Report of Director of Central Services and Deputy Chief Executive)

The Borough Council's Public Space Protection Order (PSPO) was due for renewal in April 2023. Details of the current restrictions and proposed additional restrictions to be considered were set out in Annex 2 to the report.

In summary, the proposed new restrictions related to vehicles on public open spaces, nuisance associated with car/motorcycle meetings, anti-social behaviour associated with fishing at Town Lock/Tonbridge moorings and no unauthorised swimming, bathing, boating at Holborough Lakes. The cost of a Fixed Penalty Notice for not adhering to a PSPO was currently £80 and it was proposed to increase this to £100 with no reduction for early payment in line with other local authorities. Members supported the implementation of restrictions across the whole of the Borough in respect of vehicles on public open spaces and nuisance associated with car/motorcycle meetings.

After careful consideration of the proposals, the legal, financial and value for money implications and to support a reduction in crime and disorder it was

RESOLVED: That

- (1) the proposed Public Space Protection Order (as set out at Annex 2) be agreed; subject to the:
 - (i) restrictions in respect of vehicles on public open spaces and nuisance associated with car/motorcycle meetings being applied across the whole of the Borough;
 - (ii) inclusion of the restriction in respect of anti-social behaviour associated with fishing at Town Lock/Tonbridge Moorings; and
 - (iii) inclusion of the restriction in respect of no unauthorised swimming, bathing, boating at Holborough Lakes.
- (2) the Fixed Penalty Notice charge be amended to £100, with no reduction for early payment; and
- (3) a public consultation be undertaken and reported back to an appropriate meeting.

Use of the Council's Public Open Spaces

Consideration of recommendation CE 22/11 from Communities and Environment Scrutiny Select Committee of 19 October 2022.

Concern was expressed at the lack of provision within the Policy for dealing with late or non-payment of fees to use the Borough Council's public open spaces. It was proposed by Cllr Keers, seconded by Cllr Boughton, that Officers be invited to identify options in respect of penalty provisions and the Policy be amended as appropriate.

RESOLVED: That

- (1) the outcome of the review be noted;
- (2) the Policy (attached at Annex 1 to the report) be approved, subject to delegated authority being given to the Director of Central Services and Director of Street Scene, Leisure and Technical Services, in liaison with the Cabinet Member for Community Services, to identify options in respect of penalty provisions for late or non-payment of fees and amend the Policy as appropriate; and
- (3) an inflationary increase of 10% in charges for 2023/24 be approved.
