Subject: Review of premises licence Medway Inn Wouldham

Morning

In relation to the notice for application to review the premises licence at The Medway Inn, Wouldham under section 51 I would like to say the the Medway Inn is an important part of the community. It creates a focal point for people to meet and is well managed by the landlord and landlady, Mike and Liz. There is rarely any trouble there and is a safe place to go. The atmosphere is such that I am quite happy to go to the pub on my own. The landlord and landlady support local charity's, and are more than willing to promote events at the premises which all of the villagers and surrounding villagers can attend.

The establishment is regularly busy, indicating how important it is to the local community, however I have never witness a disturbance or excessive noise which could affect nearby residents. I live 150 yards from the premises and have never heard any noise emitting from the pub.

I feel it would be a real shame and a detriment to the village if the licence review didn't go in favour of the licensee.

Kind regards
Dawn Humberstone

Dear Sir

I find I must object very strongly as to the request from the landlord of the Medway Inn 2 High St Woldham. He already is open until midnight and any extension on this would be completely out of character with the village. This is a residential area with many young children and old people living close by. I'm one of them in 68. There has already been disturbances including a fight and loud music. Please don't spoil our village please don't spoil my life

Yours most sincerely

Mr R. S. McDonald

Licensing Services - Medway Inn licencing review

Subject: Medway Inn licencing review

Dear Mr Garnett,

i would like to add my weight behind the Review of the Licence for the Medway Inn, High Street, Wouldham.

i have had to endure what i would describe as consistent noise issues from the public house, if it is not the live music that is played at levels that would be suited to Arena and not a public house then it is people leaving the public house well past midnight shouting and swearing. myself and my family are woken up on a regular basis on a weekend.

i just hope that this matter is taken serious and some action is taken by the counsel

regards
Adrian Smith MBACP
