Matters for Recommendation to Council

1 RISK MANAGEMENT STRATEGY

This report asks Members to review the Risk Management Strategy and to recommend it for endorsement by the Council.

1.1 Introduction

- 1.1.1 The Council has had a Risk Management Strategy in place for a number of years. The Council's Risk Management arrangements are designed to ensure a prudent approach is taken, with risks reduced to an acceptable level, thereby safeguarding the Council's assets, employees and customers.
- 1.1.2 The Risk Management Strategy sets out the Council's risk management objectives and details the roles and responsibilities of officers, Members and the Council's partners in ensuring risks are effectively identified, evaluated and controlled in a cost effective manner.

1.2 Review of the Risk Management Strategy

- 1.2.1 As part of arrangements in place to ensure risk management maintains a high profile within the Council, the Strategy is subject to annual review and endorsement through the Audit Committee, Cabinet and Council.
- 1.2.2 The Risk Management Strategy has been reviewed by the Audit Committee and subject to the Committee's consideration of the Strategy no substantive amendment is considered to be required at this time. However, Members are advised that the risk management process is due to be revisited and the Strategy updated as necessary for subsequent Member consideration and endorsement.
- 1.2.3 A copy of the current Strategy is attached at **[Annex 1]**.

1.3 Legal Implications

- 1.3.1 There is a Health and Safety requirement for effective risk management to be in place and the strategy supports this requirement. There is also a requirement in

the Accounts and Audit Regulations that accounting control systems must include measures to ensure that risk is appropriately managed.

1.4 Financial and Value for Money Considerations

1.4.1 Effective risk management arrangements make a positive contribution to ensuring value for money is provided in the delivery of services.

1.5 Risk Assessment

1.5.1 Sound risk management arrangements aid the Council in effective strategic decision-making. The Council's approach to risk should be reviewed on a regular basis to ensure it is up to date and operating effectively.

1.6 Equality Impact Assessment

1.6.1 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

1.7 Recommendations

1.7.1 Members are requested to review the Risk Management Strategy and subject to any amendment required **recommend** to Council it be adopted.

1.7.2 Members are also asked to note that the risk management process is due to be revisited and the Strategy updated as necessary for subsequent Member consideration and endorsement.
