AP2 16/50 ALLEGED UNAUTHORISED DEVELOPMENT - 16/00112/USEH - STUBBLEDOWN, LONDON ROAD, ADDINGTON

The Director of Planning, Housing and Environmental Health reported the unauthorised change of use of land from residential to a mixed use of residential and commercial car sales at a site to the south of the A20 London Road.

It was reported that the use of the site for car sales was clearly visible from the A20 when approaching the village of Addington and was considered to have an adverse impact on the appearance of the site. Accordingly, the development was harmful to the character and visual amenity of the area and, therefore, contrary to policies CP24 of the TMBCS and policy SQ1 of the MDE DPD.

RESOLVED: That, following the outcome of the application seeking a Lawful Development Certificate, an Enforcement Notice BE ISSUED, to

seek the cessation of the unauthorised use, the detailed wording of which to be agreed with the Director of Central Services.

AP2 16/51 ALLEGED UNAUTHORISED DEVELOPMENT - 15/00388/WORKM - LAND REAR OF 19-29 STATION ROAD, BOROUGH GREEN

This item was WITHDRAWN from the agenda as the developers had made changes to the fence since the enforcement case was opened which meant it was no longer expedient to take action on visual amenity grounds.

Members were advised that Officers continued to investigate any breaches of planning control of the garden levels with regard to other amenity issues that might arise.

AP2 16/52 ALLEGED UNAUTHORISED DEVELOPMENT - 15/00299/WORKH - THE OLD BAKERY, LONDON ROAD, ADDINGTON

The Director of Planning, Housing and Environmental Health reported the unauthorised creation of a large area of hardstanding to the south of the property.

It was reported that the site was in the Green Belt and, therefore, Section 9 of the NPPF applied. The significant amount of engineered hard surfacing constructed and the large amounts of furniture and other products likely to be stored on this area would have a harmful effect on the openness of the site and would not preserve the openness of the Green Belt. Therefore, this was considered inappropriate development and was harmful to the character and visual amenity of the area and was contrary to policies CP2 of the TMBCS and policy SQ1 of the MDE DPD.

RESOLVED: That an Enforcement Notice BE ISSUED to seek the removal of the unauthorised hardstanding and the land restored to its former condition, the detailed wording of which to be agreed with the Director of Central Services.

AP2 16/53 EXCLUSION OF PRESS AND PUBLIC
