Proposal for Public Spaces Protection Orders in the Borough

Visit: www.tmbc.gov.uk

Introduction

The borough of Tonbridge and Malling lies in the heart of Kent and is an area of variety and historical interest. The borough is largely rural with few large settlements; Tonbridge in the south being the largest and home to around 35,000 residents. The remainder of the borough is dotted with villages and smaller towns.

Industry and commerce are concentrated around Tonbridge, Aylesford, Ditton, Larkfield and Snodland. Mineral extraction has been carried out in the area for many years. Paper and packaging mills, distribution, general and light industry and many small businesses make up the industrial scene. The borough is a popular area for office location and high tech development, particularly at the Kings Hill business and residential community.

Public Spaces Protection Orders

The Anti-Social Behaviour, Police and Crime Act 2014 places new duties on the Council to tackle Anti-Social Behaviour (ASB), working co-operatively with the police, social landlords and other agencies. The Government make it clear that their reforms are designed to put victims at the heart of the response to ASB and give professionals the flexibility they need to deal with any given situation.

Public Spaces Protection Orders (PSPO's) are intended to control and restrict anti-social behaviour or potential anti-social behaviour in public spaces. They can help by giving local councils and police additional powers to tackle anti-social behaviour in specific locations. The definition of a public space is wide and includes any place to which the public or any section of the public has access too.

District/Borough Councils are responsible for making the new PSPO's and to take enforcement against any breaches, although the Police are also able to enforce these Orders and it is also possible for the Council to delegate enforcement powers to others.

Tonbridge & Malling is considering introducing Public Spaces Protection Orders to cover the open spaces within the Borough and specific locations (Leybourne Lakes Country Park; Tonbridge Memorial Gardens; Tonbridge Moorings; Haysden Country Park; Tonbridge Racecourse Sportsground and Tonbridge Castle; Tonbridge Farm Sportsground and Tonbridge Cemetery). Those Orders in specific locations are to deal with anti-social behaviour that is particular to these areas and any breaches of the Orders will lead to Fixed Penalty Notices if the behaviour does not cease when asked to do so. The PSPO will be in place for a three year period and will be reviewed at the end of this time.

The activities identified within the PSPO have been carried out in public places within the Council's area and have a detrimental effect on the quality of life of those in the locality. The Council is satisfied that that the prohibitions imposed by the PSPO are reasonable to impose in order to prevent the detrimental effect of these activities from continuing, occurring or recurring, or to reduce that detrimental effect or to reduce the risk of its continuance, occurrence or recurrence.

There will be Fixed Penalty Notices (FPNs) of £80 (or £50 if paid within 10 days) to be issued for any breaches of the PSPOs. These will be issued by an authorised person and will follow the Enforcement Policy set by Tonbridge & Malling Borough Council.

The whole Borough area where the council is considering introducing a Public Spaces Protection Order for the issues mentions below.

These proposed Public Spaces Protection Order measures replace the current Dog Control Orders (DCO's) and Alcohol Control Zones.

Measure 1

Deterring Dog Fouling

Dog Fouling is a widespread and well known problem with the Borough. Dog faeces are a known carrier of the roundworm toxicara that can cause blindness. The Council has a duty under the Litter (Animal Droppings) Order 1991 to endeavour to keep public open spaces clear of dog faeces.

Proposal

A Fixed Penalty Notice will be issued to the person responsible for the dog(s) who allows dog fouling by not removing dog faeces from any public place.

Measure 2

Exclusion of dogs from Borough Council owned and maintained children's play areas

A number of complaints have been received about dogs being loose and causing distress to young children. The exclusion of dogs from borough council owned and maintained children's play areas will prevent any distress and alarm to children.

Proposal

A Fixed Penalty Notice will be issued for any person allowing a dog, or dogs, into a Borough's owned and maintained children play areas to enable children to enjoy the facilities unimpeded from dogs.

Proposed - Public Spaces Protection Order	Orders covering all of the public spaces within Tonbridge & Malling.
<p>Measure 3</p>	<p>Dogs on leads by direction In order to stop a loose dog causing a nuisance, annoyance or disturbance to other people or to wildlife, dogs must be kept on a lead if the owner is instructed to do so by an authorised person.</p> <p>Proposal A Fixed Penalty Notice will be issued to anyone who does not put their dog on a lead when instructed to do so by an authorised person.</p>
<p>Measure 4</p>	<p>Maximum number of dogs This measure restricts the total number of dogs that one person can take onto a public place to six dogs to ensure that they have full control of these dogs and do not allow them to cause alarm or distress to other people.</p> <p>Proposal A Fixed Penalty Notice will be issued to anyone who takes more than six dogs at one time onto a public place.</p>
<p>Measure 5</p>	<p>Introduction of a controlled alcohol zone There have been many incidents across the Borough where there has been anti-social behaviour linked to alcohol.</p> <p>This measure will not mean it is an offence to drink alcohol in a public place; however, it will be an offence to fail to comply with a request by an authorised officer to cease drinking or surrender alcohol. This will not apply to any premises, or its curtilage, which is licenced for the supply of alcohol.</p> <p>Proposal A Fixed Penalty Notice will be issued for any person who continues to drink alcohol in a public place when asked to cease or surrender that alcohol.</p>
<p>Measure 6</p>	<p>Deterring public urination / defecation There are complaints about people urinating/defecating in public which is unpleasant and unhygienic for others. It makes people feel unsafe and can cause feelings of distress.</p> <p>Proposal To make it an offence to urinate or defecate in public (excluding public toilets). A Fixed Penalty Notice will be issued to anyone seen urinating or defecating in a public place (excluding public toilets).</p>
