	Purc	Purchase of property for TA purposes.											
	There are a range of options for providing Temporary Accommodation which we are currently exploring to develop short and medium												
		term options. They include: working in partnership with Registered Providers using existing units – including conversion or											
		redevelopment; working with private providers using lease agreements to secure use of privately owned homes (landlord offer); makin											
	an a	an arrangement to use a set number of units at existing sources (for example, the Riverhill Motel); and purchasing property using
