Part 6: Allowances

1.	Scheme of Members' Allowances	3 - 14
----	-------------------------------	--------

(Draft: April 2018)

SCHEME OF MEMBERS' ALLOWANCES

1.	Introduction	
1.1	Members' Allowances are reviewed annually by an Independent Remuneration Panel (IRP), and recommendations are made to Full Council about the level of allowances payable to Members. The first Panel reported to Members in December 2003.	
1.2	At that time the IRP recommended that pensions for councillors should not be introduced. This was agreed by Full Council, and no change has been made to this decision since.	
1.3	This scheme may be cited as the Tonbridge and Malling Borough Council Members' Allowances Scheme, and shall have effect for the municipal year commencing on 16 May 2017 and subsequent years until such time as the Independent Remuneration Panel reconsiders the Scheme of Allowances. This revised version of the scheme is effective for the financial year 2017/18.	
1.4	In this scheme <ul style="list-style-type: none"> - "councillor" means a member of the Tonbridge and Malling Borough Council who is a councillor; - "year" means the 12 months ending with 31 March. 	
2	Basic Allowance	
2.1	Subject to paragraph 5 (Part-Year Entitlements), for each year a basic allowance as set out in Schedule I to this scheme shall be paid to each councillor.	
3	Special Responsibility Allowances	
3.1	(i)	For each year a special responsibility allowance shall be paid to those councillors who hold the special responsibilities in relation to the authority that are specified in Schedule I to this scheme.
	(ii)	Subject to paragraph 5 (Part-Year Entitlements), the amount of each such allowance shall be the amount specified against that special responsibility in that schedule.
4	Renunciation	
4.1	A councillor may, by notice in writing given to the Director of Central Services, elect to forego any part of his entitlement to an allowance under this scheme.	

5	Part-Year Entitlements					
5.1	(i)	The provisions of this paragraph shall have effect to regulate the entitlements of a councillor to basic and special responsibility allowances where, in the course of a year, this scheme is amended or that councillor becomes, or ceases to be, a councillor, or accepts or relinquishes a special responsibility in respect of which a special responsibility is paid.				
	(ii)	<p>If an amendment to this scheme changes the amount to which a councillor is entitled by way of a basic allowance or a special responsibility allowance, then in relation to each of the periods:</p> <table border="1" data-bbox="375 633 1359 857"> <tr> <td data-bbox="375 633 451 707">(a)</td> <td data-bbox="451 633 1359 707">beginning with the year and ending with the day before that on which the first amendment in that year takes effect, or</td> </tr> <tr> <td data-bbox="375 707 451 857">(b)</td> <td data-bbox="451 707 1359 857">beginning with the day on which an amendment takes effect and ending with the day before that on which the next amendment takes effect, or (if none) with the year</td> </tr> </table>	(a)	beginning with the year and ending with the day before that on which the first amendment in that year takes effect, or	(b)	beginning with the day on which an amendment takes effect and ending with the day before that on which the next amendment takes effect, or (if none) with the year

(b)	beginning with the day on which an amendment takes effect and ending with the day before that on which the next amendment takes effect, or (if none) with the year					
		the entitlement to such an allowance shall be to the payment of such part of the amount of the allowance under this scheme as it has effect during the relevant period as bears to the whole of the same proportion as the number of days in the period bears to the number of days in the year.				
	(iii)	Where the term of office of a councillor begins or ends otherwise than at the beginning or end of a year, the entitlement of that councillor to a basic allowance shall be to the payment to such part of the basic allowance as bears to the whole of the same proportion as the number of days during which their term of office subsists bears to the number of days in that year.				
	(iv)	Where this scheme is amended as mentioned in sub-paragraph (ii), and the term of office of a councillor does not subsist throughout the period mentioned in sub-paragraph (ii)(a), the entitlement of any such councillor to a basic allowance shall be to the payment of such part of the basic allowance referable to each such period (ascertained in accordance with that sub-paragraph) as bears to the whole the same proportion as the number of days during which their term of office as a councillor subsists bears to the number of days in that period.				
	(v)	Where a councillor has during part of, but not throughout, a year such special responsibilities as entitle him or her to a special responsibility allowance, that councillor's entitlement shall be to payment of such part of that allowance as bears to the whole the same proportion as the number of days during which they have such special responsibilities bears to the number of days in that year.				

	(vi)	Where this scheme is amended as mentioned in sub-paragraph (ii), and a councillor has during part, but does not have throughout the whole, of any period mentioned in sub-paragraph (ii)(a) of that paragraph any such special responsibilities as entitle him or her to a special responsibility allowance, that councillor's entitlement shall be to payment of such part of the allowance referable to each such period (ascertained in accordance with that sub-paragraph), as bears to the whole the same proportion as the number of days in that period during which they have such special responsibilities bears to the number of days in that period.
6	Travelling, Subsistence and Carer's Payments	
6.1	Members are entitled to claim for payment of travelling and subsistence expenses incurred in the performance of an approved duty (see Schedule II for definition of approved duty).	
6.2	In addition to travelling and subsistence expenses, Members are also entitled to claim a carer's allowance to enable them to attend Committees/Boards/Panels or groups to which they have been appointed, or approved training events.	
7	Claims and Payments	
7.1	(i)	Payments shall be made
	(a)	in respect of basic and special responsibility allowances, subject to sub-paragraph (ii), in instalments of one-twelfth of the amount specified in this scheme on the 15th day of each month or, where the 15th day is a Saturday, Sunday or Bank Holiday, on the nearest working day to the 15th;
	(b)	in respect of travelling and subsistence allowances, on or about the 15th day of each month in respect of claims received up to the day 14 days before that date.
	(ii)	Where a payment of one-twelfth of the amount specified in this scheme in respect of a basic allowance or a special responsibility allowance would result in the councillor receiving more than the amount to which, by virtue of paragraph 5, they are entitled, the payment shall be restricted to such amount as will ensure that no more is paid than the amount to which they are entitled.
8	Schedules I and II to this Scheme	
8.1	Schedule I sets out the Allowances payable to Members and will be updated each year.	
8.2	Schedule II sets out for Members' information, administrative issues relating to the payment of Allowances.	

SCHEDULE I

1.	<p>The Borough Council received a report from an Independent Remuneration Panel (IRP) containing recommendations for amendments to the Scheme for Members' Allowances. The Panel's recommendations as to basic and special responsibility allowances (SRAs) were considered in detail by the General Purposes Committee at its meeting on 6 March 2017. The Panel's recommendations were accepted in full (subject to an amendment in respect of allowances for vice-chairmen) with effect from the Borough Council elections in 2019. During an interim period from the Annual Council meeting on 16 May 2017 until after the Borough Council elections in 2019 a modified schedule of allowances was agreed. The revised allowances scheme was adopted by the Full Council on 11 April 2017 and published in accordance with requisite legislative requirements.</p> <p>The Allowances Scheme revolves around a framework of 'multipliers' which are based on the 'Basic Allowance' and proportions of the Leader's allowance. The multipliers which apply to the allowances that come into effect from 2019 are set out in the second column of the table below. In addition, the following points are part of the Scheme:</p>

	<ul style="list-style-type: none"> - An SRA for the Deputy Leader should be based on 75% of the Leader's Allowance
	<ul style="list-style-type: none"> - The SRAs for Cabinet Members should be based on 42.5% of the Leader's allowance
	<ul style="list-style-type: none"> - The structure of SRAs for other roles should be simplified further based on the multiplier approach set out below
	<ul style="list-style-type: none"> - The SRA for the Opposition Group Leader should be a flat sum of £1,250 plus £250 per member of the group
	<ul style="list-style-type: none"> - The principle of annual indexation of allowances in line with any staff pay award should be retained but should not apply during the interim period (Annual Council 2017 to Borough Council elections 2019)

INCOME TAX

Basic Allowances, Special Responsibility Allowances and Carers Allowances are treated by HMRC as taxable under Schedule E (the tax schedule applicable to employed persons). Payments in respect of allowances are paid directly to an individual's nominated bank or building society account via the Council's payroll system and are subject to taxation under the P.A.Y.E. Scheme, as determined by the individual circumstances of each Member.

Expenses which are "wholly, exclusively and necessarily" incurred in the execution of the duties of an elected Member, are eligible for tax relief. Members can submit claims to HMRC for a refund of tax on these expenses at the end of each financial year. It is worth noting that HMRC is entitled to request proof from individuals to substantiate any such claims that are submitted. Claims should be submitted using HMRC **Form P87** which may be downloaded from the HMRC website at www.hmrc.gov.uk.

Expenses that might be incurred include:

Postage

Travelling expenses which have not been reimbursed by the Council

Telephone calls

Use of home

Stationery if not provided by the Council

The Councillor's home may only be regarded as his/her place of work by HMRC when constituents are routinely interviewed or invited to attend there. On this basis, in principle, income tax is not payable on travelling expenses reimbursed for journeys undertaken between home and Council Offices (or other sites) in the performance of official duties. However, mileage paid at a rate that is higher than the HMRC statutory limit (currently 45p for cars) will attract a tax liability on the excess. The Council has obtained HMRC approval to deduct the appropriate tax at source. In instances where the Councillor's home cannot be regarded as his/her place of work, income tax is payable for travelling expenses reimbursed to Councillors and **Councillors should notify the Director of Finance & Transformation if this is the case.**

Payments in respect of subsistence are regarded as taxable except where the additional expenses have actually been incurred. Receipts substantiating claims should be submitted with claims.

Where Members are liable to pay the higher rate of income tax they may wish to have tax deductions from their allowances at the higher rate. This can be arranged by notifying the Director of Finance & Transformation in writing.

NATIONAL INSURANCE

Social Security Benefits

Members must notify their Benefits Agency local office of any allowance payments received from the Council if they are claiming or receiving benefit.

Contributions

Allowances are treated as earnings for National Insurance purposes and, therefore, when monthly allowances exceed the earnings threshold, National Insurance contributions will be deducted. The 'profit' element of car mileage allowances will be treated as earnings and aggregated with allowances to determine the N.I. contribution.

The Council has a statutory responsibility to enter the National Insurance number of each Councillor on to the HMRC records and, where appropriate, obtain the partial and total exemption certificates of all persons paying contributions at other than the standard rate.

Members' contributions will be notified to HMRC at the end of each financial year. If the amount deducted by the Council in a year, when added to the amount deducted from any other employment, exceeds the maximum contribution, a refund will be due from HMRC.

It is for the individual to calculate whether or not a refund is due and to claim reimbursement accordingly.

INSURANCES

Members may find it helpful to have a brief summary of those insurances effected by the Council which may affect them personally.

In general, the Council insures its properties, equipment and vehicles against the risk of loss or damage and also insures in respect of any legal liability it may incur to pay compensation or damages to others.

Policies which make particular reference to Members are:-

Libel and Slander

This indemnifies the Council in respect of:-

- (a) Any libels appearing in a publication normal to the Council's business by any Member or employee provided that such publications are specifically authorised by the Council and agreed beforehand with the insurers.
- (b) Slanders in oral utterances made by any Member or employee during the discharge or official duties on behalf of the Council and, in the case of any Member, during any meeting of the Council, its Committees or Sub-Committees or on any occasion when such a Member is authorised to represent the Council's views.

If the claim is directed against an elected Member, that Member will be personally indemnified but will be called upon to bear 10% of any sum which the insurer may pay.

Publication is defined as any notice, agenda, minute, report, correspondence, other written or recorded matter and statements broadcast on the television or radio.

Personal Accident

Provides benefits, as indicated below in the event of any Member or co-opted Member (not over 80 years of age), suffering accidental bodily injury whilst engaged on Council business anywhere in the world including direct travel in connection with such business.

Death	£50,000
Total loss of sight in one or both eyes	£50,000
Total loss of, or total loss of use of, a hand or foot	£50,000
Permanent total and absolute disablement (other than as above) from engaging in usual occupation)	£50,000
Temporary total disablement	} Not exceeding £100 per week
Temporary partial disablement	

Benefits are also payable (as a percentage of £50,000) for a wide range of other injuries and disabilities.

The insurers' maximum liability for any one claim is £50,000

In addition, the loss of or damage to Personal Effects, including money, arising at the same time as injury giving rise to a claim is covered for an unlimited amount.

Privately owned cars used on Council business

It is, of course, the responsibility of each Member to ensure that any car used on Council business is adequately insured for such use.

The Council does, however, hold insurance indemnifying the Council in respect of its contingent liability in the event of a claim falling upon it due to the lack of or a defect in a Member's or employee's own insurance.

The existence of this insurance does not, in any way, remove or reduce a Member's own responsibility to ensure that appropriate insurance arrangements are in place.

Members nominated to serve on outside bodies

The Personal Indemnity cover afforded to Members and staff, is very restricted in respect of the activities of Members nominated by the Council to an Outside Body. Cover is dependent upon the business undertaken by the Outside Body, and the nature of the Member's role and responsibilities as a representative on that Body. It usually requires the Member to be representing the Council's views to the Outside Body and the activities of the Outside Body being linked to the services provided by the Council. In the majority of instances this does not apply, and Members are quite often participating in the management of the organisation to which they were nominated.

It is the Council's policy to leave the decision as to whether a Member wishes to take up a nomination to an outside body, in the absence of insurance cover, to the individual Member. Where an organisation requests that the Council makes a nomination, the Council will enquire into the level of cover, if any, provided by the organisation. This information will be passed to prospective nominees.

CLAIMS

Payment of Basic Allowances and Special Responsibility Allowances will be made automatically to Members each month. If a Member chooses **not** to receive a Special Responsibility Allowance or payment of Basic Allowance to which he/she is entitled, he/she should notify the Director of Finance & Transformation in writing.

Claims are required for the payment of travelling and subsistence allowances and it is suggested that Members submit claims on a monthly basis for payment.

For payroll processing purposes, Members are asked to ensure that claims reach Electoral & Democratic Services by the third working day of the month.

Members should ensure that they sign the attendance sheet at every Council, Cabinet, Committee, Sub-Committee, Board, Panel, Working Party and site meeting which they attend. Failure to sign the attendance sheet may delay settlement of the claim.

Where meetings are arranged for groups of Members or site visits are organised, the relevant Committee should resolve whether or not the meeting/visit is an approved duty. In circumstances where it has not been possible to obtain such a resolution, the officer organising the meeting will confer with the relevant chairman and will indicate in the letter of invitation, the status of the meeting.

Further assistance and advice on claims can be obtained from Electoral & Democratic Services (01732 876043) at Kings Hill.
