By: Jamie Watson – Programme Manager, Schemes, Planning & Delivery Team

Classification: Unrestricted

Vehicle Parking London Road Wrotham, adjacent to Tower View Industrial Estate

This report is for discussion only to gather information at the request of County Members.

Introduction

- 1.1 Harry Raynor and Sarah Hohler wish to raise matters in connection with the safety of road users and pedestrians using the footway of the A20 London Road, Wrotham in the vicinity of the Tower Industrial Site and the access to the adjacent Wings of the Morning Field.
- 1.2 Stansted and Wrotham Parish Councils and members of the public who attend their meetings have brought this issue to KCC Members attention. Through discussion at the JTB meeting, Members can discuss the issues and enable officers to take away potential questions for further investigation.
- 1.3 There have been no reported personal injury accidents in this location in the past three years and as such there is no planned Casualty Reduction Scheme in progress however it is understood there are concerns about the safety of non-motorised road users.
