Comments	
<p>As residents of Priory Road we would welcome these changes as quite often parking near our home is difficult. Having to park up Lavender Hill or Priory Street and then get [REDACTED] plus shopping into the house is not fun! Quite a lot of people seem to use our street to park and then go to the gym, so if anything even stricter regulation restrictions into the evening would be even better. Thank you.</p>

<p>Existing limited waiting bays sufficient and allow guest parking without need for permit or expensive day permits if only staying for 2 hours.</p> <p><u>Strongly</u> oppose proposal to turn white "access protection" lines to double yellow, this is not necessary in front of Barn Court & allows extra parking space; see * on plan enclosed.</p>
