

5th October 2018

Use of Town Police Clauses Act for Event road closures.

I can confirm that Kent County Council are content with the current processes in place with Tonbridge & Malling Borough Council (detailed below) regarding the use of the Town Police Clauses Act for event road closures and will support the making of these traffic orders:

- TMBC will administer a TPCA closure on the condition that KCC have checked and given support to the event's traffic management plan in accordance with their network management duty.
