Part 1- Public

Delegated

1 INTERNAL AUDIT CHARTER

The purpose of the report is to inform Members of the outcome of the review of the Internal Audit Charter.

1.1 Introduction

1.1.1 The Internal Audit Charter is a key document in the delivery of Internal Audit, setting out the purpose, authority and responsibility of the internal audit function. It is subject to regular review and approval by the Audit Committee.

1.1.2 Proper practice for Internal Audit is defined by the Public Sector Internal Audit Standards (PSIAS) and CIPFA's Local Government Application Note to the Standards. The PSIAS require that "The purpose, authority and responsibility of the internal audit activity must be formally defined in an internal audit charter, consistent with the Definition of Internal Auditing, the Code of Ethics and the Standards."

1.2 Review of the Internal Audit Charter

1.2.1 The current Internal Audit Charter was approved by the Audit Committee in January 2018. A review of the Charter found that it continues to meet the requirements of the PSIAS and CIPFA's Local Government Application Note to the Standards, minor amendments have been made to enhance sections on independence and reflect the current structure of the Internal Audit Team, these are highlighted on the copy of the Charter attached at **[Annex 1]**.

1.2.2 Members will note that the document reflects the shared service arrangement with Kent County Council. In particular, the Audit and Assurance Manager is named as the officer fulfilling the role of the Chief Audit Executive (CAE) under the Public Sector Internal Audit Standards.

1.3 Legal Implications

1.3.1 Section 151 of the Local Government Act 1972 requires the Council to "make arrangements for the proper administration of their financial affairs". Further to

this, the Accounts & Audit Regulations require a relevant body to “undertake an adequate and effective internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control.”

- 1.3.2 The Internal Audit Charter is based upon the requirements set out in the PSIAS and the CIPFA Local Government Application Note which is identified as “proper practice” for internal audit.

1.4 Financial and Value for Money Considerations

- 1.4.1 An adequate and effective internal audit function provides the Council with assurance on the proper, economic, efficient and effective use of council resources in delivery of services, as well as helping to identify fraud and error that could have an adverse effect on the finances of the Council.

1.5 Risk Assessment

- 1.5.1 The Internal Audit Charter establishes the purpose, authority and responsibility of the Council’s internal audit function. It is, therefore, vital that the Council periodically reviews the Charter to ensure that the internal audit function is effective in delivering its responsibilities and that the Charter itself is compliant with proper practice.
- 1.5.2 The Internal Audit Charter has been prepared with due consideration to proper practice, as set out in the PSIAS and the CIPFA Local Government Application Note to the PSIAS. It is, therefore, considered that adequate action has been taken to minimise the risk that external assessment could consider the Charter to not meet proper practice.

1.6 Equality Impact Assessment

- 1.6.1 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

1.7 Recommendations

- 1.7.1 Members are asked to **note** and **approve** the attached Internal Audit Charter.
