The letter from MHCLG to the Chief Executive is attached at **[Annex 3]** for Members' information.

1.6.11 Although still to be fully defined, it is proposed that this funding should be used towards staffing, design and landscaping work, and master-planning in order to ensure the proposals for the area stand out from the ordinary and bring infrastructure and facilities that benefit new and existing residents alike. 1.7 Revenue Budget Summary

1.7.1 The table below brings together information on the Council's key budget areas, the variations agreed to the revenue budget and items identified through budgetary control to provide an indicative overall budget position for the year.

Description	Budget to June £	Actual to June £	Variance £
Salaries Monitoring Statement	2,497,950	2,472,450	(25,500)
Income Monitoring Statement	(1,551,100)	(1,458,250)	92,850
Treasury Management (to May)	(47,300)	(60,800)	(13,500)
Approved Variations to the Revenue Budget			57,450
Revenue Budgetary Control			(34,450)
Net Adverse Variance			76,850

1.7.2 This would suggest if nothing else changed, the contribution to the General Revenue Reserve would be £373,750 compared to £450,600 anticipated when the budget was set in February 2019.

1.8 Savings and Transformation Strategy

1.8.1 Alongside the Medium Term Financial Strategy sits a Savings and Transformation Strategy. The purpose of the Strategy is to provide structure, focus and direction in addressing the financial challenge faced by the Council. In so doing, it recognises that there is no one simple solution and as a result we will need to adopt a number of ways to deliver the required savings and transformation contributions within an agreed timescale. A number of key themes have been identified, together with outline targets and timescales.

1.8.2 When the budget was set in February 2019 the projected funding gap was £550,000 with a savings and transformation contribution of £100,000 to be achieved by 1 April 2020. Taking in isolation the position detailed in this report suggests the funding gap has increased to over £600,000 highlighting why it is important to identify and implement opportunities to deliver at least this year's savings and transformation contribution of £100,000. Notwithstanding the funding gap will undoubtedly change many times as we move through the year.

1.9 Capital Monitoring Statement

1.9.1 Appended for information at **[Annex 4]** is a capital monitoring statement which compares actual capital expenditure for the period 1 April 2019 to 31 May 2019 with the 2019/20 Capital Plan. The Capital Plan for 2019/20 is based on the 2019/20 budgets that were approved by Council on 19 February 2019, amended for slippage from 2018/19.

1.9.2 Prior year's expenditure is only shown for finite schemes for which there is a budget in 2019/20. Where schemes are of a rolling programme nature, prior year's expenditure has not been shown in order to avoid large, generally meaningless, totals building up.

1.9.3 Capital Plan schemes which are scheduled to start in 2020/21 and beyond have not been shown. The budget profile for these schemes can be found in the 2019/20 Revenue and Capital Budgets Book.

1.9.4 Members will note a Capital Plan spend (net) at the end of May 2019 of £30,000 against a budget of £4.2m.

1.10 Approved Variations to the Capital Plan

1.10.1 The latest estimated capital cost of the planned major programme of works at Larkfield Leisure Centre is £2,149,000 (including expenditure to date of £120,000) compared to the current budget provision of £1,650,000. The increased cost to be funded from the Tonbridge and Malling Leisure Trust Reserve and Revenue Reserve for Capital Schemes.

1.10.2 Budget provision for Housing Disabled Facility Adaptations is based on the current year approved provision of 959,000 (Council, February 2019) plus prior year slippage of £284,000. These budgets will be reviewed once the Council's share of support from the Better Care Fund for 2019/20 has been agreed with Kent County Council.

1.10.3 The Council has received the second and final payment of EU Exit Funding for Local Government in the sum of £17,484 to support local authorities in their preparations for the UK leaving the EU.

1.11 Capital Plan Issues

1.11.1 The capital plan monitoring statement, as presented to this Board, is essentially aimed at monitoring the financial performance of the capital plan overall and on a Service and scheme basis. Notes have been provided to supply further information where this is felt to be particularly relevant. Other monitoring reports, which provide greater information about individual schemes, are presented by the Services to the relevant Advisory Board.

1.12 Legal Implications

1.12.1 This report fulfils the requirement of the Local Government Act 2003 which places a statutory duty on the authority to monitor income and expenditure against budget and to take action if overspends or shortfalls in income emerge. If monitoring establishes that the budget situation has deteriorated, authorities are required to take such action as they consider necessary. This might include action to reduce spending in the rest of the year, to increase income or to finance all or part of the shortfall from reserves.

1.13 Financial and Value for Money Considerations

1.13.1 As set out above.

1.14 Risk Assessment

1.14.1 Budgetary control is a prerequisite of good financial management, financial planning and control and needs to be kept under review to ensure it remains effective and relevant.

1.15 Equality Impact Assessment

1.15.1 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

1.16 Recommendations

1.16.1 Members are asked to:

- 1) **Recommend** that detailed decisions on expenditure in respect of the £150,000 funding awarded by MHCLG for Borough Green Gardens, be delegated to the Director of Planning, Housing and Environmental Health.
- 2) **Note** that as at the end of June 2109 the projected overall outturn position is a net adverse variance of circa £77,000 when compared to the budget set in February 2019.
- 3) **Note** the position in respect of the projected funding gap and over the coming months the need to identify and implement opportunities to deliver at least this year's savings and transformation contribution of £100,000.

The Director of Finance and Transformation confirms that the proposals contained in the recommendation(s), if approved, will fall within the Council's Budget and policy Framework.
