judgements used in the preparation of the financial statements are soundly based, in accordance with the Code and adequately disclosed in the financial statements. There are no other material judgements that need to be disclosed.

- vi Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent
 - b. none of the assets of the Council has been assigned, pledged or mortgaged
 - c. there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- vii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- viii Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The Council financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi We have considered the unadjusted misstatements schedule included in your Audit Findings Report and attached. We have not adjusted the financial statements for these misstatements brought to our attention as they are immaterial to the results of the Council and its financial position at the year-end. The financial statements are free of material misstatements, including omissions.
- xii Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xiii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiv We believe that the Council's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements.

Unadjusted misstatements

Detail	Reason for not adjusting
<p>1 Potential impact of the McCloud judgement</p> <p>The legal ruling around age discrimination (McCloud - Court of Appeal) has implications for pension schemes where transitional arrangements on changing benefits have been implemented. Discussion is ongoing in the sector regarding the potential impact of the ruling and the application for appeal on the financial statements of Local Government bodies.</p> <p>The Council has requested an estimate from its actuary of the potential impact of the McCloud ruling. The actuary's estimate was of a possible increase in pension liabilities of £774k, and an increase in service costs for the 2019/20 year of £55k.</p> <p>We have satisfied ourselves that there is not a risk of material error as a result of this issue. We also acknowledge the significant uncertainties both relating to the outcome of the appeal process at this point in time, and relating to the estimation of the impact on the Council's liability.</p>	<p>The figures provided by the actuary are an estimate, and not a formal actuarial valuation. Although we are of the view that there is sufficient evidence to indicate that a liability is probable, we are satisfied that the differences are not likely to be material. This issue will be considered as part of the next actuarial valuation exercise in 2019/20.</p>
