

Recommendations from the Street Scene & Environment Advisory Board

5th March 2020

It is **RECOMMENDED TO CABINET** that it **APPROVE** the following actions to be progressed prior to the proposed parking charges outlined in the report coming into effect on 5th April 2020:-

- 1) the objections to the proposed charges to the off-street parking charges, as detailed in the report, be set aside; and

- 2) the appropriate Traffic Regulation Order be made to facilitate the variation of the off-street parking charges.
