

Tonbridge & Malling Borough Council CODE OF CORPORATE GOVERNANCE

INTRODUCTION

- 1.1 In 2001 the Chartered Institute of Public Finance & Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE) published *Corporate Governance in Local Government – A Keystone for Community Governance: Framework*. The Framework outlined the need for local authorities to review their governance arrangements against a number of key principles and report on their effectiveness in practice.
- 1.2 Six core principles of good governance were advocated by the Independent Commission on Good Governance in Public Services in *The Good Governance Standard for Public Services (2004)* with support from the Office for Public Management and CIPFA. In response to subsequent changes in local government, CIPFA and SOLACE published an updated framework for good governance in local government in 2007. The framework defines governance as, 'the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities'.
- 1.3 The Independent Commission's six core principles of good governance outlined in the CIPFA-SOLACE Framework show that good governance means:
 - (i) Focusing on the purpose of the authority and on outcomes for the community and creating and implementing a vision for the local area
 - (ii) Members and officers working together to achieve a common purpose with clearly defined functions and roles
 - (iii) Promoting values for the authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour
 - (iv) Taking informed, transparent decisions which are subject to effective scrutiny and managing risk
 - (v) Developing the capacity and capability of Members and officers to be effective
 - (vi) Engaging with local people and other stakeholders to ensure robust public accountability
