FIP 20/5 REVIEW OF BUILDING CONTROL PARTNERSHIP FEES FOR 2020/21

The report of the Director of Planning, Housing and Environmental Health referred to the partnership arrangement with Sevenoaks District Council for provision of the Building Control Service, overseen by a Management Board. It was noted that a fee increase would not be applied for 2020/21 Building Control Partnership standard charges due to surpluses accrued since 2017/18. However there would be a review of building control services in 2020/21 to ensure that the correct percentage split was being applied between chargeable and non-chargeable services.

RECOMMENDED: That the charges set out at Annex 1 to the report be approved from 1 April 2020.

FIP 20/9 REVENUE ESTIMATES 2020/21

The report of the Director of Finance and Transformation referred to the responsibility of the Cabinet under the constitution for formulating initial proposals in respect of the budget. Reference was made to the role of the Advisory Board in assisting the Cabinet and Council in the preparation of the budget within the context of the Medium Term Financial Strategy (MTFS) and the Council's priorities. An outline was given of the process for referring the Advisory Board's recommendations to the Overview and Scrutiny Committee prior to consideration by the Cabinet on 13 February and thereafter by the Council at its Budget meeting.

The Director of Finance and Transformation advised that the provisional Local Government Finance Settlement for 2020/21 was still awaited when the report was prepared and figures had been based on the Technical Consultation published on 3 October 2019 which suggested that the settlement would be similar to that in 2019/20. The subsequent settlement when received confirmed this position although a slight adjustment would be necessary when reported to Cabinet. As a result 2020/21 could be regarded as a "holding year" with future funding dependent on the outcome of the delayed government Spending Review and Fair Funding Review.

It was also expected that the threshold for triggering a referendum on council tax increase would be at the higher of 2% or £5. The report set out the framework for considering the estimates in terms of the MTFS together with a number of Service specific issues which were highlighted.

Details were given of the factors to be taken into account when updating the MTFS and Savings and Transformation Strategy (STS). In October 2019 an interim high level review suggested a funding gap of £800,000. Since then a series of decisions or recommendations had been made by Members and incorporated in the draft Estimates which had, amongst other things, reduced the projected outstanding funding gap to £320,000. It was noted that the MTFS would continue to be updated as more information became available and the targets and timescales within the STS would be revisited and realigned with the latest projected funding gap during the budget setting process.

RECOMMENDED: That

- (1) subject to review each year, the maximum "annual capital allowance" be increased from £200,000 to £250,000;
- (2) delegated authority be given to the Director of Finance and Transformation, in liaison with the Cabinet Member for Finance, Innovation and Property, to respond to the provisional local government finance settlement as appropriate;

- (3) the establishment of a specific earmarked reserve in the sum of initially £250,000 to fund Climate Change initiatives be endorsed;
- (4) the establishment of a Budget Stabilisation reserve in the sum of £3,500,000 be endorsed to manage risk and/or assist in meeting future savings and transformations;
- (5) the draft Revenue Estimates contained at Annex 1 to the report, as amended at (7) below, be endorsed for consideration by the Cabinet at its special meeting on 13 February 2020;
- (6) the Savings and Transformation Strategy be updated to reflect the latest projected “outstanding” funding gap as part of the budget setting process; and
- (7) the budget for Borough Christmas Lighting be capped at £40,000.

FIP 20/10 CAPITAL PLAN REVIEW 2019/20

Consideration was given to the report of the Director of Finance and Transformation which reviewed the current position of the existing Capital Plan (List A) and highlighted amendments made since February 2019. It also recommended schemes for addition to List C, some existing List C schemes for deletion or evaluation and schemes for inclusion on List B from those List C schemes previously selected for evaluation. Members were reminded that any aspirations in respect of capital schemes needed to be set within the context of the significant financial challenge facing the Council.

RECOMMENDED: That the following be endorsed for consideration by the Overview and Scrutiny Committee:

- (1) subject to review each year, the maximum “annual capital allowance” be increased from £200,000 to £250,000;
- (2) the Capital Plan (List A) position as shown in Annex 1 to the report be endorsed;
- (3) the amendment of List C as detailed in paragraph 1.5.3 of the report;
- (4) the selection of those List C schemes shown in paragraph 1.6.4 of the report for evaluation or further evaluation as appropriate, including the schemes recommended for fast track evaluation;
- (5) the transfer of the schemes listed in paragraph 1.7.3 of the report from List C to List B; and

- (6) the draft Capital Strategy as set out at Annex 4 to the report be endorsed for adoption and publication on the Council's website.
