

3.23 The local highway authority concurs with the methodologies used in the original TA and subsequent TNs, and despite noticing some discrepancies the findings of these reports are considered to be sound. The TA, subsequent TNs and the analysis undertaken by the HA has demonstrated that the vehicle movements associated with the proposed development will have a minor impact only on the highway network.

RECOMMENDATION REMAINS UNCHANGED

**East Malling & Larkfield TM/18/01106/FL
