1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 The scheme applies where local restrictions (LCAL3) are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grants under this scheme will be available for the 2020/21 and 2021/22 financial years only.
- 1.8 No grant shall be paid for any period where the localised or widespread national restrictions were in place prior to 14th October 2020.
- 1.9 Where any area enters either a localised restriction (LCAL3) or where a national restriction applies, additional assistance may be given to businesses under the Council's Local Restrictions Support Grants (Closed) Scheme (as amended).

2.0 Funding

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive a one-off lump sum payment amounting to £20 per head in each area when local restrictions (LCAL3) or widespread national restrictions are imposed.

- 2.2 Once the Council's area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.

3.0 Eligibility criteria and awards

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.
- 3.2 If Local Authorities use the Additional Restriction Grant for direct business support grants, Government has stated that the same conditions of grant **must** apply as for the Local Restrictions Support Grant (Closed) scheme. However, the Council will have the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of Covid-19. Government has also stated that the Council may also wish to assist business which are outside of the rating system and which are effectively forced to close.

Eligibility Criteria

- 3.4 For the purposes of this scheme the Council has decided that funding will be available as follows:
- (a) Businesses that have been forced to close, where companies are not covered under the Local Restrictions Support Grant (Closed) Scheme OR businesses significantly affected by business closures caused by national restrictions announced on 31 October 2020 and that come into force on the 5th November 2020. This grant will not be administered for periods of impact before these dates.
 - (b) Businesses with a registered address in the Tonbridge & Malling Borough Council area will be eligible for this scheme. The business will need to be trading within the Tonbridge & Malling Borough. Where a business is registered in another council area (although has a presence in the Borough) the council will take a discretionary view on a case-by-case basis.
 - (c) Businesses that have been actively trading on and before the 4 November 2020.
- 3.5 Discretionary Grants will be paid subject to State Aid regulations, meaning the business needs to check that they comply with State Aid rules and inform the Council accordingly prior to payment being made. If State Aid rules are breached the responsibility lies with the applicant and, in line with the legislations, the Council can take action to recover the funding.
- 3.6 Top Up grants for the Local Restriction Support Grant scheme will not be paid out to businesses except in very exceptional circumstances to those businesses with a demonstrable economic impact in the Borough who can demonstrate significant and fundamental loss of income and high costs due to National lockdown.

3.7 Where businesses feel they fit this criterion, contact with the Council via economic.regeneration@tmbc.gov.uk will need to be made prior to an application being accepted.

Priority Businesses

3.8 The Additional Restrictions Grant is prioritised for the following types of business:

- Businesses in the Retail, Leisure and Hospitality sector.
- Businesses that supply the Retail, Leisure, and Hospitality sector.
- Business in the Arts, Entertainment and Events sector.
- Businesses in shared offices or other flexible workspaces.
- Home-based businesses.

3.9 This list is not exhaustive and businesses outside the above list are invited to apply through the relevant option below.

Award Levels

3.10 In order to align with the Local Restrictions Support Grant (Closed), grants awarded by Tonbridge & Malling Borough Council will be capped at £3,000 per 28-day restriction period. Where a business has a Rateable Value, the same thresholds will apply as the LRSG (Closed). However, for those that do not, the following is an indicative breakdown of the grant levels likely to be offered:

- £3,000 per 28-day qualifying restriction period for larger local businesses;
- £2,000 per 28-day qualifying restriction for small businesses;
- £1,334 per 28-day qualifying restriction period for micro-businesses; and
- £750 per 28-day qualifying restriction period for home-based businesses and regular market traders.

- (a) Businesses in areas outside the scope of the localised restrictions, as defined by Government and not subject to a widespread national restriction;
- (b) Businesses that have chosen to close but not been required to, will not be eligible;
- (c) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework;

Who can receive the grant?

- 3.13 In **all** cases, Government has stated that the person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date.
- 3.14 Where the Council has reason to believe that the information it holds about the ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.
- 3.15 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
