

LOCAL COUNCIL TAX REDUCTION SCHEME 2022/23

Item CB 22/19 referred from Cabinet of 10 February 2022

Consideration was given to the Draft Local Council Tax Reduction Scheme 2022/23 (attached as a supplement to the main agenda) which had been revised to bring it in line with statutory prescribed requirements, housing benefit and other national benefit rates and increases to income bands where uplifts to the Minimum Wage, a component of the income band level calculation, had been taken into account.

The Scheme applied to working age households and maximum help remained capped at 80% of council tax liability. For pension age households the Government Scheme prescribed maximum help up to 100% of council tax liability, a minimum requirement of a pension age scheme.

RECOMMENDED: That the draft Local Council Tax Reduction Scheme 2022/23 be commended to the Council for adoption.
