The report advised the Cabinet of the procurement exercise to replace the current Uniform application which was used for a number of key frontline services within the authority. RECOMMENDED: That

- (1) The outcome of the procurement process and the planning implementation programme, as set out in the report, be noted;
- (2) The estimated annual saving of circa £50,000 compared to the current software platform from 2023/24 be noted; and
- (3) The use of £100,000 from the Invest to Save Reserve be approved to support the implementation and training programme.
