1 STATEMENT OF ACCOUNTS 2021/22 AND PROGRESS UPDATE ON THE AUDIT OF THE ACCOUNTS

This report presents an unaudited set of Accounts for 2021/22 in the format specified by the Code of Practice on Local Authority Accounting in the United Kingdom.

1.1 Introduction

- 1.1.1 An audited set of Accounts for 2021/22 must be approved by the Council or a Committee of the Council by no later than 30 November 2022 (ordinarily 30 September). Under the Council's Constitution responsibility for the approval of the Statement of Accounts is delegated to this Committee. The Accounts include the adjustments in light of the outturn position set out in the Revenue and Capital Outturn 2021/22 report to Cabinet on 7 June 2022.
- 1.1.2 This report presents an unaudited set of Accounts for 2021/22 **[Annex 1]** for information. The Engagement Lead and or their representative will be at the meeting to give a verbal progress update on the audit of the Accounts.

1.2 Statement of Accounts

- 1.2.1 The Accounts are to be prepared in accordance with International Financial Reporting Standards. The Code of Practice on Local Authority Accounting in the United Kingdom is issued by the Chartered Institute of Public Finance and Accountancy and is reviewed and as appropriate updated at least annually. There have been no material changes to the presentation of the Accounts for 2021/22.
- 1.2.2 There will be numerous issues that will impact on the finances of local authorities as a result of the Covid-19 pandemic, the current global economic conditions and cost of living crisis. Specific areas within the financial statements include:
- Property Plant and Equipment and Investment Property – Property values are based upon market values and are periodically reviewed to ensure that the Council does not materially misstate the value of its property, plant and equipment and investment property. After reviewing the asset base for

this financial year, our internal valuer, Linda Martin MRICS, has given the follow statement; “The RICS now states that it is up to the individual valuer to make a judgement on market uncertainty based upon specific properties. In respect of the Council’s car parks there remains a level of uncertainty in the valuations given, this is as a result of changes in shopping and working habits and the uncertainty of settling income levels for the car parks.”

As a result the Council considers this advice indicates there is Material Valuation Uncertainty and valuations are subject to change when updated market evidence begins to emerge.

- Short Term Debtors, collectability of debt – It is prudent to establish a provision (impairment allowance) for non-payment of debt. The impact of the current global economic conditions and ‘cost of living crisis’ could potentially have an adverse impact on collectability of debt and will be the subject of ongoing review.

1.2.3 An unaudited set of Accounts for 2021/22 is enclosed with this agenda. It consists of the following individual financial statements and associated notes.

- 1) Comprehensive Income and Expenditure Statement – this Statement shows the accounting cost in the year of providing services in accordance with generally accepted accounting practices, rather than the amount to be funded from taxation. The taxation position is shown in the Movement in Reserves Statement.
- 2) Movement in Reserves Statement – this Statement shows the movement in the year on the different reserves held by the Council, analysed into ‘usable reserves’ (those that can be applied to fund expenditure and or reduce local taxation) and other reserves (those that the Council is not able to use to provide services, for example, the revaluation reserve).
- 3) Balance Sheet – sets out the financial position of the Council at 31 March 2022. It shows the value of the Council’s assets and liabilities, and its balances and reserves.
- 4) Cash Flow Statement – this summarises the inflows and outflows of cash and cash equivalents for both revenue and capital purposes.
- 5) Notes to the financial statements.
- 6) Collection Fund and Associated Notes – shows the total local taxation transactions in relation to council tax and business rates.

1.2.4 At **[Annex 2]** is a more detailed overview of the Statement of Accounts and at **[Annex 3]** a checklist certified by the Director of Finance and Transformation in support of the assertions made in the Statement of Responsibilities for the Statement of Accounts.

1.2.5 Members will note in accordance with the Accounts and Audit Regulations and in my role as the Council's responsible financial officer, I have certified that the Statement of Accounts present a "true and fair view" of the financial position of the local authority at the end of the year and its income and expenditure for the year.

1.2.6 The Statement of Accounts is subject to external audit and our external auditor commenced the audit of the Accounts at the beginning of July and a verbal progress update is to be given at the meeting.

1.3 Accounts and Audit Regulations

1.3.1 The Accounts and Audit Regulations require:

- The Council's responsible financial officer to certify an unaudited set of accounts for issue, that present a "true and fair view" of the financial position of the Council as at 31 March 2022 and its income and expenditure for the year ended 31 March 2022 by no later than the first working day of August 2022 (ordinarily 31 May).
- The responsible financial officer and Members to certify / approve an audited set of accounts for publication by no later than 30 November 2022 (ordinarily 30 September) and that following approval both the responsible financial officer and Chairman of the receiving Committee sign and date the Statement of Accounts.
- Authorities to have in place a sound system of corporate governance and that an Annual Governance Statement is to accompany, but is not part of the Accounts.

1.4 Statement of Auditing Standards

1.4.1 Our External Auditor is required to issue a report to those charged with governance covering, amongst other things, the outcome of the audit of the Accounts. Under the Council's Constitution it is the Audit Committee that will receive this report. The report is expected to be presented to the Audit Committee meeting on 26 September 2022.

1.5 Annual Governance Statement

1.5.1 The Annual Governance Statement can be found elsewhere on this agenda. The Statement accompanies the Statement of Accounts, but is not part of the Accounts. The purpose of the Annual Governance Statement is to assess and demonstrate that there is a sound system of corporate governance throughout the organisation. Governing is about how local government bodies ensure they are doing the right things, in the right way, for the right people in a timely, inclusive, open, honest and accountable manner.

1.5.2 The Statement is prepared by way of a self-assessment questionnaire and supporting evidence. The Statement is to be signed by both the most senior Member and officer of the Council.

1.6 Legal Implications

1.6.1 Compliance with the Accounts and Audit Regulations and the Code of Practice on Local Authority Accounting in the United Kingdom is a statutory requirement. There are a number of legislative requirements to consider in the preparation and publication of the Statement of Accounts which will be addressed as we move through the closedown process.

1.7 Financial and Value for Money Considerations

1.7.1 The fee for the audit of the 2021/22 Accounts is £59,873 compared to £58,248 for the 2020/21 audit, an increase of £1,625 or 2.8%.

1.8 Risk Assessment

1.8.1 The Statement of Accounts is a statutory document and, therefore, failure to prepare and publish the Accounts in accordance with proper accounting practice and within the statutory timescales could adversely affect the Council.

1.9 Equality Impact Assessment

1.9.1 The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.
