

STATEMENT OF COMMUNITY INVOLVEMENT

Item HP 22/5 referred from Housing and Planning Scrutiny Select Committee of 19 July 2022

The report of the Director for Planning, Housing and Environmental Health explained how residents and other stakeholders would be engaged as the Council prepared planning policies and determined planning applications. The Statement of Community Involvement was attached at Annex 1 to the report. During discussion, members sought clarification on advertising means, the weight given to responses received from statutory consultative groups, and reassurance that there was consistency between the Statement of Community Involvement and the Development Management Protocol.

RECOMMENDED: That the Statement of Community Involvement be adopted for development management and planning policy purposes.

* Referred to Cabinet
