

# Summary of Responses

1

Please be advised that in providing feedback, all names and comments are open to the public as part of this consultation. By continuing with this questionnaire do you agree to these details being made public?

Yes  7

No  0

2

Following the review of the Local Ward Boundaries in Tonbridge & Malling and the subsequent recommended changes, as required we have undertaken a review of The Polling Station Districts, Places and Stations. The review was launched on 1st June 2022, and we are now undertaking a consultation, which ends on 21st August.

Please find the documents detailing the existing ward boundaries and Polling Districts, and the new ward boundaries and proposed Polling Districts in the Consultation Document section. After reading, please provide any comments or ideas of alternative proposals you may have in the text box below.

This question has been answered 5 times.

## Report on Questionnaire Answers

Questionnaire: Proposals for Review of Polling Districts and Polling Places.

Question: [2] Following the review of the Local Ward Boundaries in Tonbridge...

Respondent Name	User Response: Text
West Malling Parish Council (Mrs Claire Christmas)	West Malling Parish Council does not have any comments to make on the new ward boundaries and proposed polling districts.
TMBC (Cllr Matt Boughton)	<p>There are just a few points I'd have. I'll use the proposed PD to refer to each:</p> <p>Aylesford South and Ditton</p> <p>Given the size of this PD is now over 2,000 electors, has any consideration been given to a Polling Station south of the A20?</p> <p>Snodland West and Holborough Lakes</p> <p>The boundary of the Holborough Lakes polling station looks perfect.</p> <p>Trench</p> <p>Under the new boundaries TMA will be considerably larger than TMB, which loses all of the electors on Whistler Road and the roads off it to TJA given they will now fall in Higham ward.</p> <p>Has any consideration been given to using the pre-2015 PD boundary here? The roads at the northern end of the current Trench ward were in Cage Green pre-2015 and therefore would have voted at Hugh Christie, TMB polling station. If these were moved into TMBC it would result in a better split between stations?</p> <p>Cage Green and Angel</p> <p>Again pre-2015 the houses on A26 Hadlow Road between The Ridgeway and Higham Lane fell in Higham, meaning they voted at the Methodist Church (TJA polling station). When they moved wards they had to vote at Fisher Hall on Lyons Crescent, a considerable distance from their homes.</p> <p>With THA voting at St Philip's Church, which is considerably closer to these properties than THC, there may be some merit in moving these properties into THA from THC? In fact you could make the same argument for all the properties in THA which fall north east of the Cannon Lane traffic lights.</p> <p>Hildenborough</p> <p>TKC PD will be small but given they currently vote at Tonbridge Castle, Stocks Green School is a significant distance in the other direction from what they are currently used to.</p>

Respondent Name	User Response: Text
	<p>I wonder whether it would be possible to use either The Oast Theatre or Hilden Manor pub as its own polling station? I know access to the Stocks Green polling station can be awkward as well and given there are a couple of venues right in the heart of the PD that could be used, this would seem a sensible location?</p> <p>Vauxhall</p> <p>The TNA PD is the same boundaries as the current TLB PD. I know that residents on the Somerhill Green development are reluctant to have to go all the way to Hillview School for Girls to vote when there are also parking issues. Could we create a new PD at Bishop Chavasse Primary School for this development, perhaps with Vauxhall Gardens and Pembury Road (those properties that fall in TNA) included too? This may become too small but would certainly be a better solution for Somerhill Green residents.</p>
West Malling Baptist Church (Miss Janice Webb)	<p>No comments on the proposed changes to ward boundaries and polling districts.</p> <p>It would appear that from the documentation that it has been assumed that West Malling Baptist Church will be registered on a permanent basis to act as a Polling Station. The church Trustees have been willing to allow its premises to be used as a Polling Station on a temporary basis. The Trustees permission would have to be sort should the proposal be for this to become a permanent Polling Station within West Malling.</p>
Sevenoaks District Council (Dr. Pav Ramewal)	<p>Having considered the information in the proposals, the Returning Officer for Sevenoaks has no comments to make.</p>
Medway Council (Jane Ringham)	<p>On behalf of the ARO for Chatham &amp; Aylesford constituency I note that apart from some changes to polling district boundaries, it seems that there is only one change to the polling places in the part of the Constituency within TMBC.</p>
