This includes holiday activities with Premier Education, Carrot Wood, KCC Youth and Children's Centres etc.</p> <p>Section 11 of the Children Act places a statutory duty on key organisations to make arrangements to ensure that in discharging their functions they have regard to the need to safeguard and promote the welfare of children.</p> <p>All District/Borough Councils are required to ensure that the planning and development of services to safeguard and promote children's welfare are informed by the views of children and parents. This</p>

	<p>could be through one-off consultations on specific projects, consulting ongoing user groups or drawing on feedback on existing services. Particular efforts should be made to ensure that specific groups of children and young people who are often excluded from participation in activities are supported in giving their views.</p>

<p>Staffing Allocation</p>	<p>Direct operational provision of one part-time member of staff equal to 0.6 FTE (Full Time Equivalent)</p> <p>The three services areas contained within this Scrutiny Report are also supported by 1 full-time Member of staff, therefore, a proportion of their time is allocated to Youth Engagement.</p> <p>As agree at a previous review, £1,500 is also allocated for temporary staffing support over the summer holiday period for the Y2Crew partnership scheme with KCC.</p>
<p>Budget Allocation</p>	<p>The operational revenue budget is now only £6k following savings linked to previous scrutiny review of playscheme with recommendations that:</p> <p>The Panel agreed that the Borough Council should, from the Summer 2016, withdraw from the direct provision of the Activate programme and instead help market and promote the wide range of schemes already being provided by other parties and</p> <p>(1) set aside a sum of £3,000 to provide support for leisure pass holders at the current rate to access programmes provided by other agencies;</p>

	<p>(2) the Borough Council's financial support for the Y2Crew programme be retained subject to other partners providing continued financial contributions;</p> <p>(3) the Borough Council withdraw from the direct provision of the Summer Playscheme from Summer 2016 and seek the support of external providers to take over these schemes subject to the following:</p> <p>(a) Leisure Pass concessions for Playscheme attendance initially be amended to provide a 50% reduction per child per week;</p> <p>(b) a sum of £18,000 be set aside to provide continued support for Leisure Pass holders to access schemes at the current 12 sites;</p> <p>(4) the consideration of the Public Sector Equality Duty be noted and financial provision be made, as set out at paragraph 1.6.4.of the report, to mitigate any impact on children with disabilities who require 1-2-1 support. <i>Which is currently £1,000.</i></p> <p>The current revenue budget for the holiday activities is currently £4k, which is £17k less than the scrutiny approved budget of £21k. This has been achieved through partnership work and efficiency savings.</p> <p>Funds are raised separately for the Y2Crew and are used to provide the diversionary activity programme directly in partnership with KCC, this year over £6k was raised.</p> <p>The Youth Forum have a budget of £2k for logistics and development initiatives annually.</p>

Value for Money	<p>Significant savings have been made over recent years due to reduction in direct provision of programmes and focus on support of opportunities to families and young people in need. Information now only provided online removing cost of printing and distribution of marketing material.</p> <p>The Youth Forum costs have been reduced further with the introduction of some online meetings and less funded initiatives.</p>
Risks	<p>Reputational risk of failing to provide for children most in need and financially disadvantaged and in failing to provide a mechanism for feedback and consultation with young people of the Borough. Disengaged and disenfranchised young people with increased risk of anti-social behaviour. Ineffective engagement activities and outcomes with and for younger people in the Borough as uninformed or increased costs of engagement without an organised group and mechanism into schools to canvas wider option.</p> <p>Equality impact assessment for young people and disadvantaged groups would be required if the services were reduced.</p>
